## 14 Post...

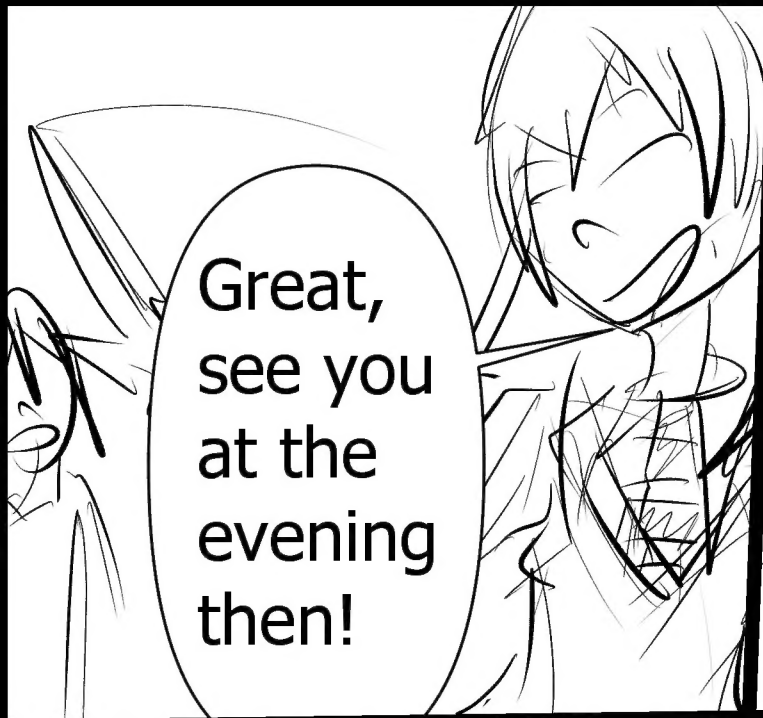

**DANSE MACABRE** or: stuck  
in the middle  
with you

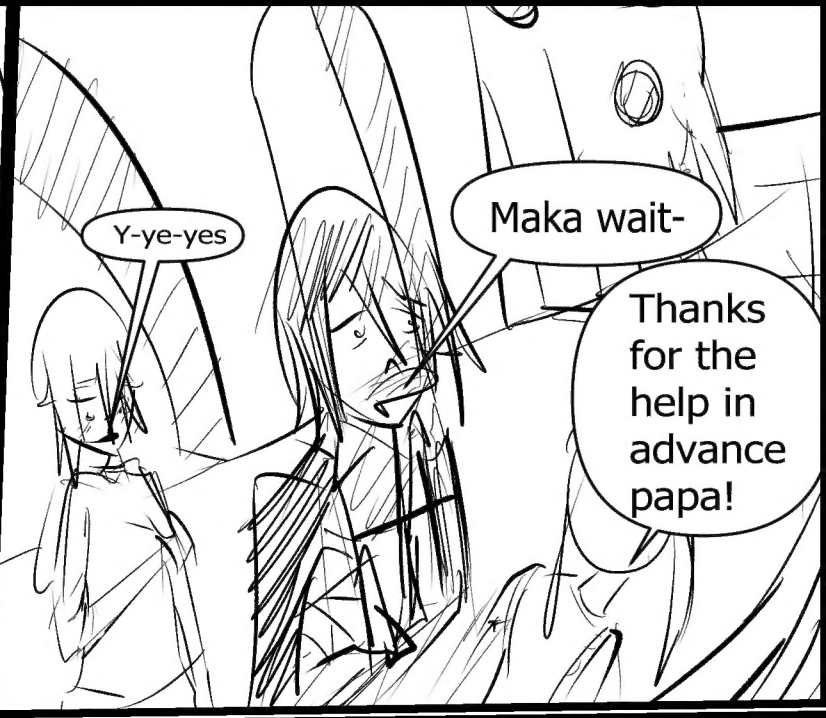

Great,  
see you  
at the  
evening  
then!

Y-ye-yes

Maka wait-

Thanks  
for the  
help in  
advance  
papa!

Anything  
for my  
little  
girl

Taking out  
my daughter  
for a little  
dance, aren't  
you?

\*woosh\*

\*woosh\*

We understand,  
don't we?

Eh-

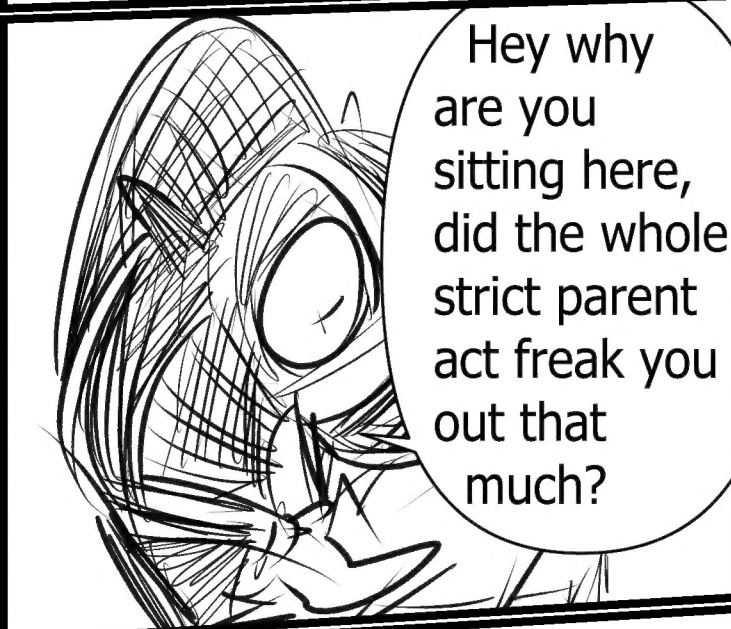

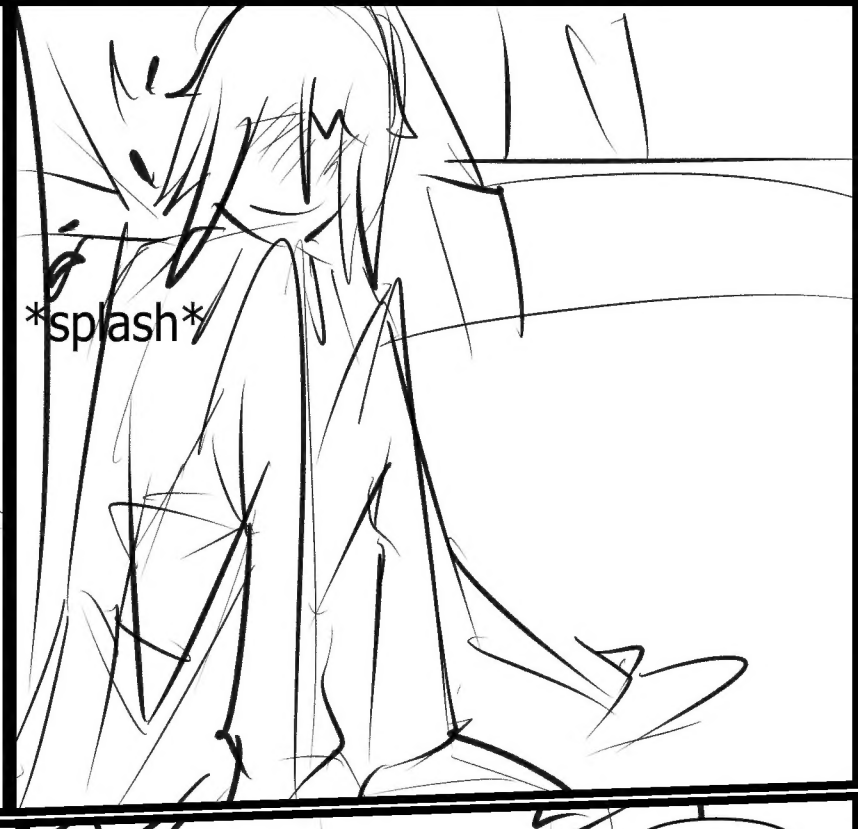

Good! Now  
if you excuse  
me, I have to  
make my angel  
happy

Angel...

I understand...

Hey why are you sitting here, did the whole strict parent act freak you out that much?

Huh?

Maybe a little, but I'm just...

Don't know

Just felt like it

Not out of fear, but...

I can deal with it...

Well whatever dumb reason you have, not everyone has a butt to sit on all day, so get moving already!

Of course, ouch, you can stop pulling, I'm going already

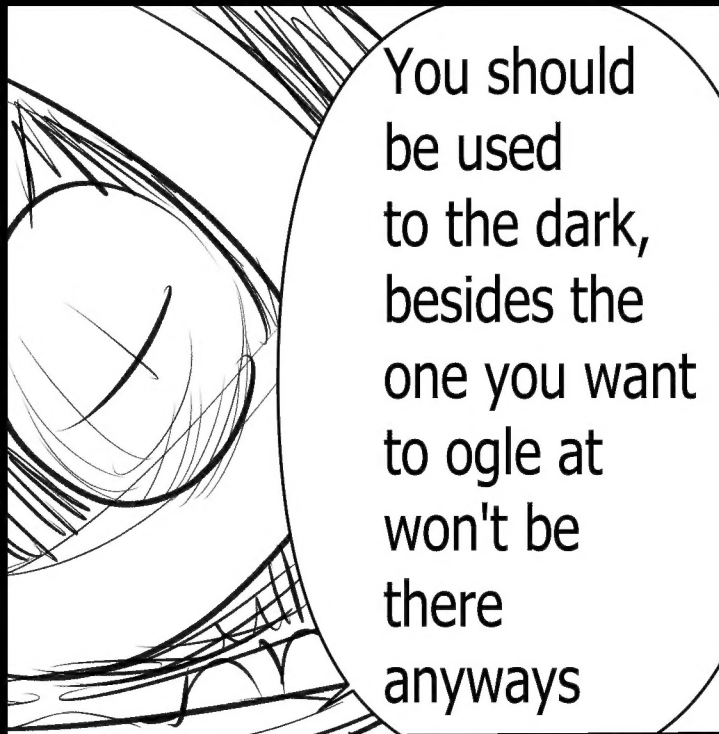

See, I'm up, stop before I go bald and-

Don't worry, people would look at you the same either way hehehe!

Oh, by the way, you will have to deal with not seeing for a bit

Wh-what?

You should be used to the dark, besides the one you want to ogle at won't be there anyways

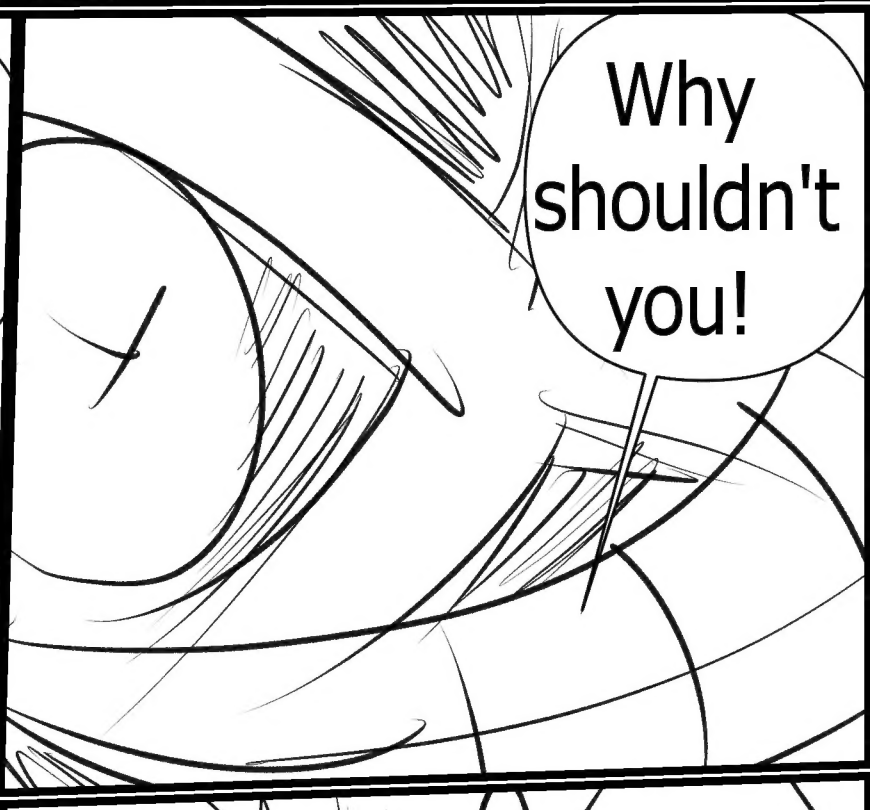

What- I wouldn't! and-

Good, then you have no problem with it hehe!

Just don't be overdramtic and relax, I mean what could possibly go wrong?

Ok, I trust you Ragnarok

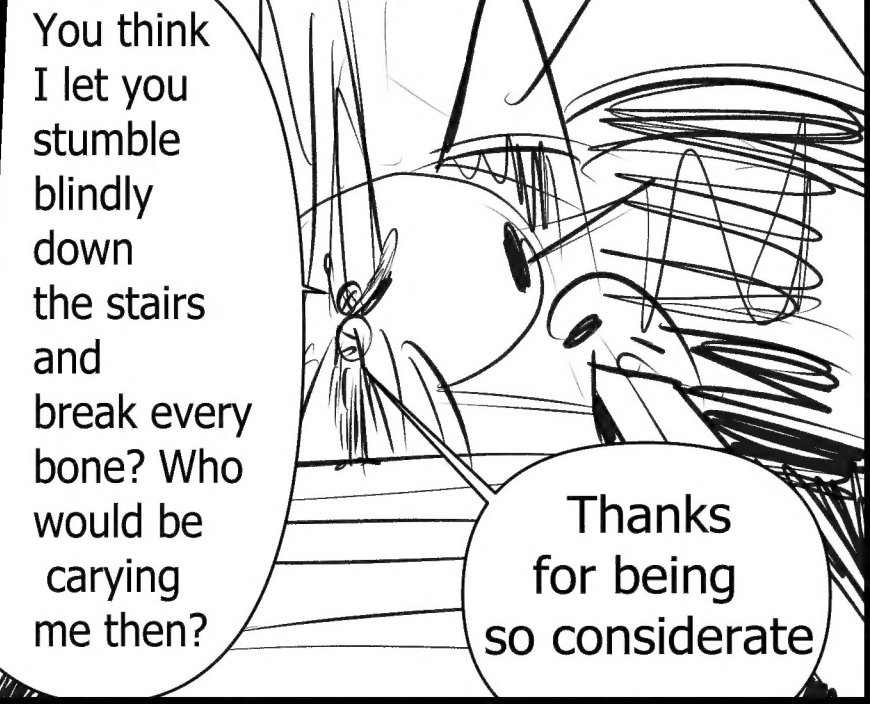

Why shouldn't you!

Now forward!

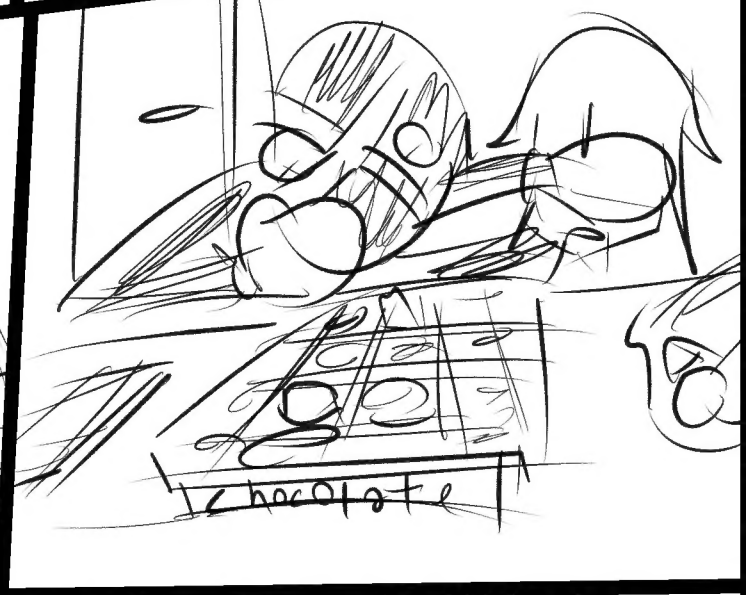

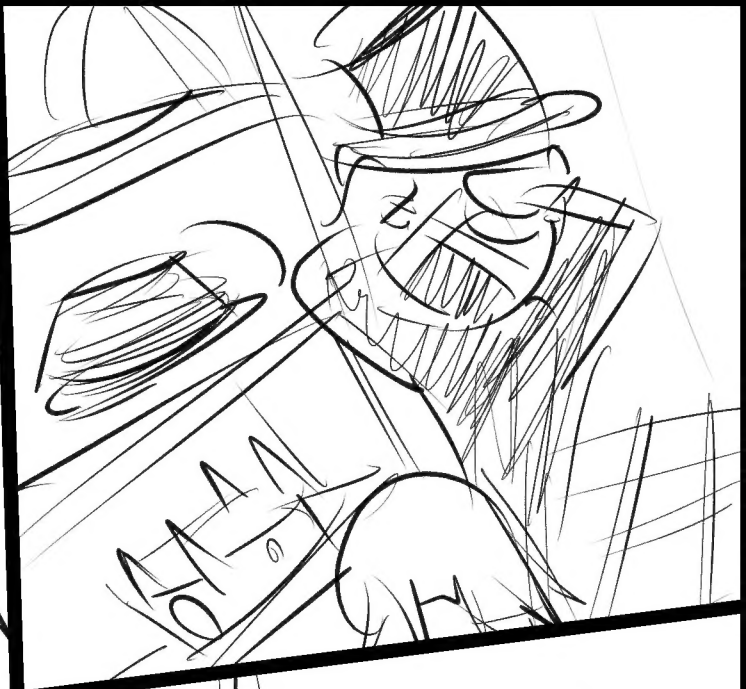

But I can still see, so-

You think I let you stumble blindly down the stairs and break every bone? Who would be carying me then?

Thanks for being so considerate

Ragnarok,  
what is all  
this stuff?

If it is so  
important  
you could  
carry it by  
yourself...

The important  
thing is that you  
don't drop anything!

Who would do the  
most important part  
of covering your greedy  
eyes then dummy?

Yeah, about that, I still don't get why-

Don't worry, you wouldn't get it anyways, just go 100 steps forward

Now for the last step:

Shut your eyes and keep them that way!

Hehe that weirdo haircut of yours will have some use afterall

**DIY  
EAR  
PLUGS**

What are you-

Now for a test:

If you stay silent, you admit that Maka is a fat cow!

No reaction, guess he really can't hear anything

Or maybe he finally admitted the truth to himself? Nah!

Then it seems  
to be time for  
me now...

Is this how Crona  
feels all the time...

\*ding dong\*

\*click\*

I wonder who  
is Ragnarok talking  
with...

Oh\_\_ Th\_\_  
Of\_\_ \_ee \_u  
\_en!

Could it be-

That should  
be the last  
of the hair...

Lets hope I didn't  
pull out his brain  
by accident too...

You can turn  
around now

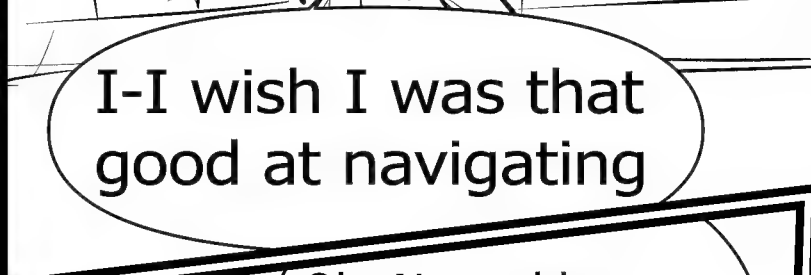

Just walk the same  
way back we came from

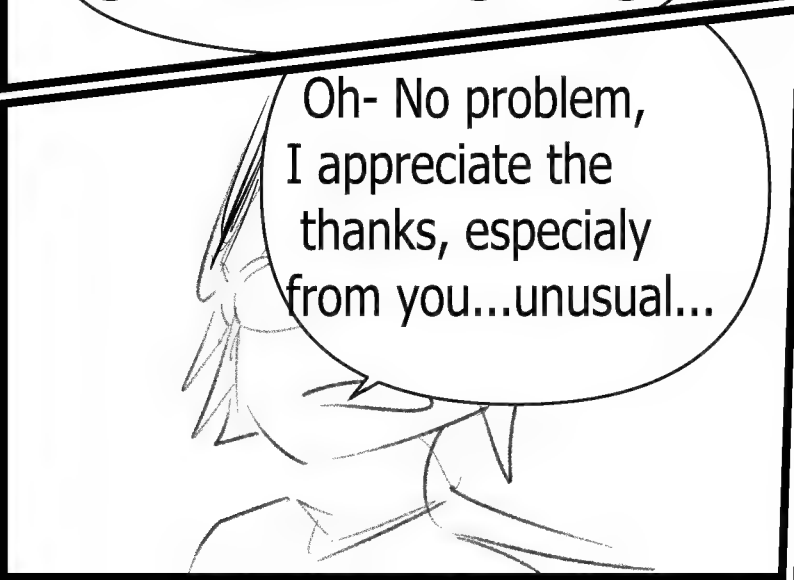

Hey Crona...

I just wanted  
to thank you  
for putting with  
all my bullshit  
today

I-I wish I was that  
good at navigating

Oh- No problem,  
I appreciate the  
thanks, especialy  
from you...unusual...

Tch, Weirder things  
have happened...

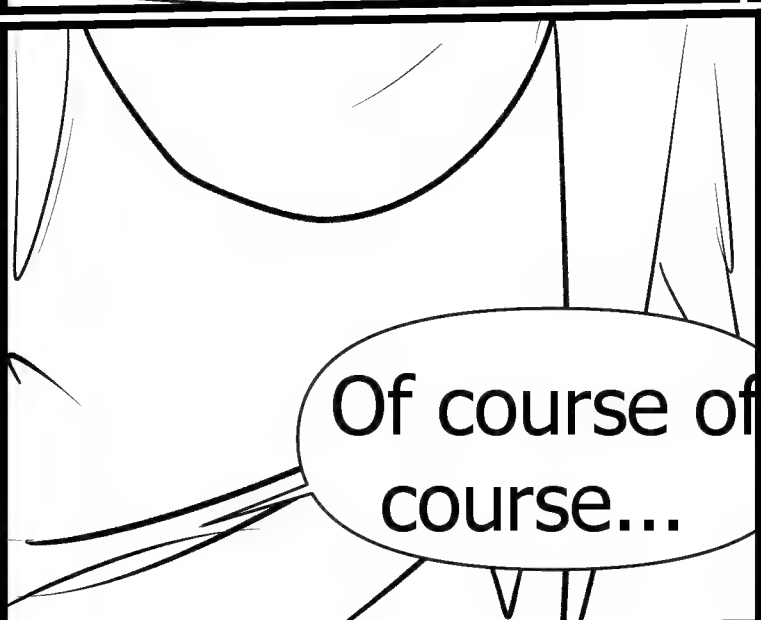

Being by  
your side  
for all those  
years, I overdid  
things sometimes,  
sorry for that to...

Y-you really mean it?

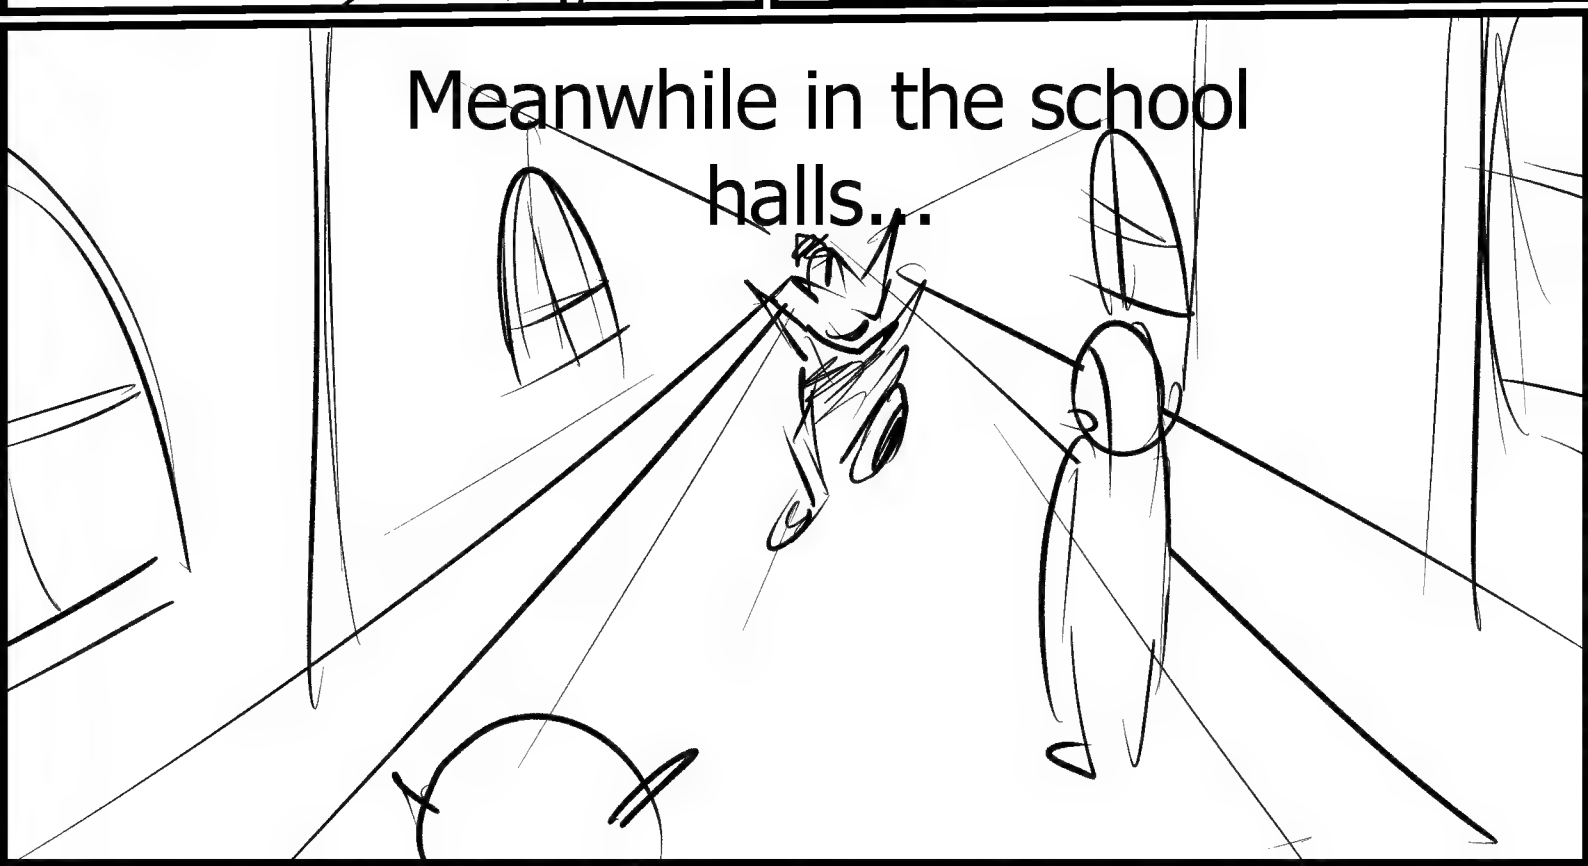

Yeah yeah, just don't get schmalzy with me now, it wasn't like you didn't deserve some of the things I did!

Of course of course...

I'm also in too good of a mood today to be so greedy...

Meanwhile in the school halls...

Yahoo! Who of you losers wants to get beat up by the great Black\*Star!

Ah Ox, ready for a rematch?

Or are ya still scared after last time haha!

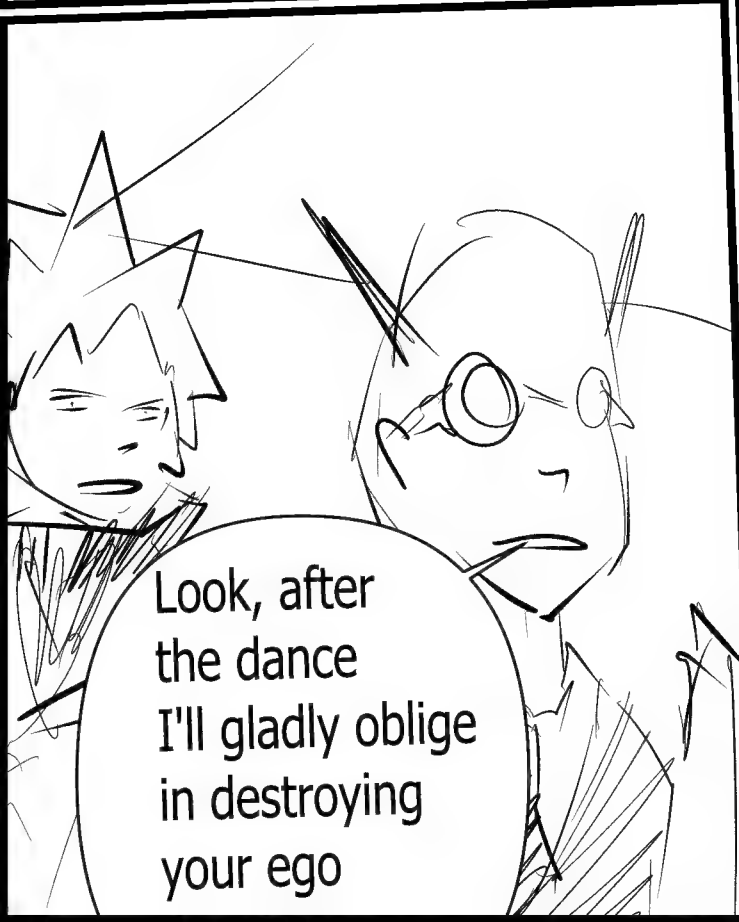

Tch, sorry I do not want to get any blood on my clothes today

Haha, don't worry, I'll knock you out with my wavelength alone, you will stay as clean as my homework sheets!

I wasn't talking about my blood-

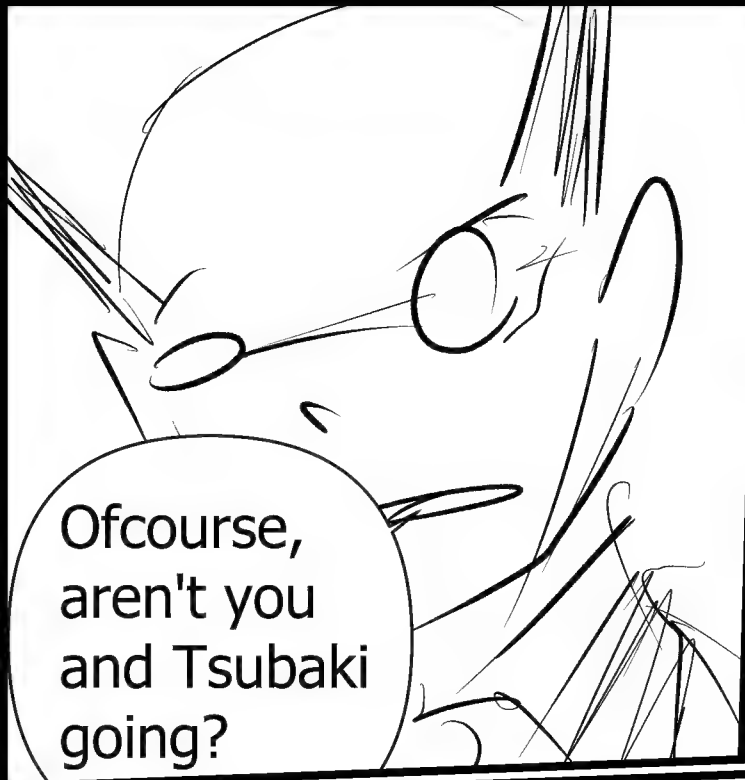

Look, after the dance I'll gladly oblige in destroying your ego

Ugh, don't say you are also going to that stupid thing?

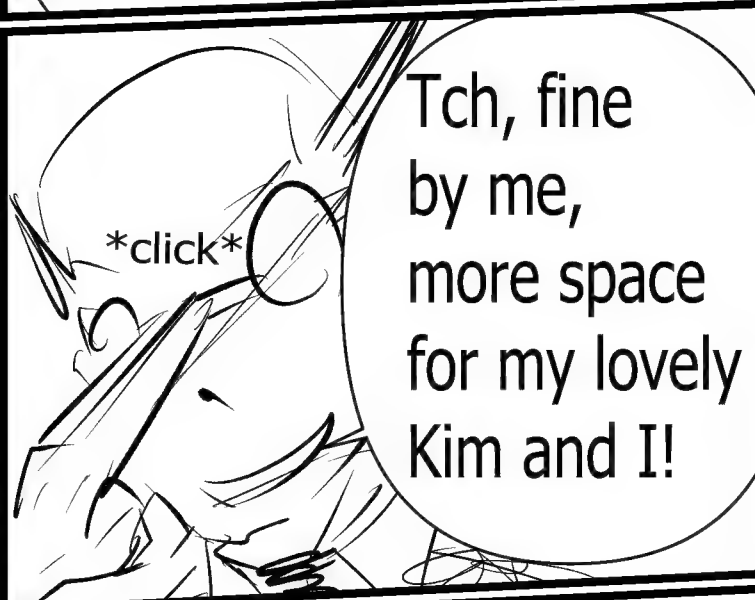

Ofcourse,  
aren't you  
and Tsubaki  
going?

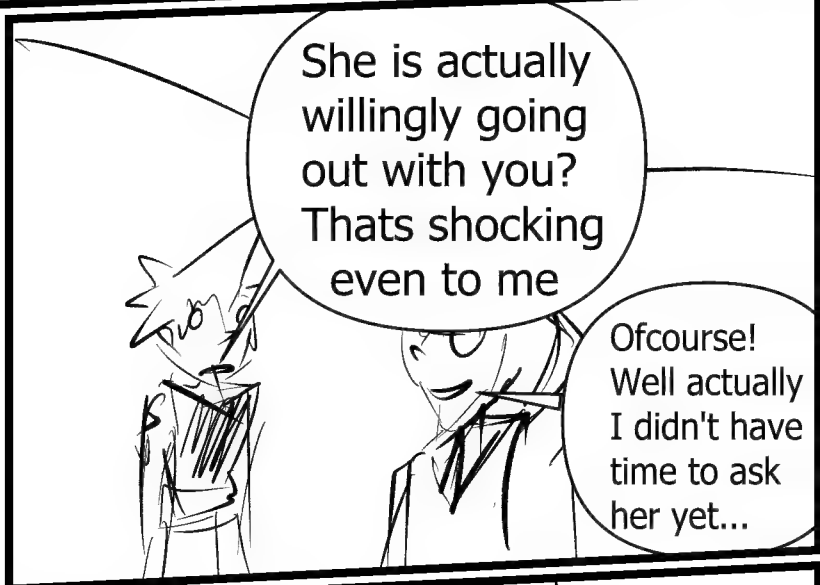

Haha, she  
wanted to  
but lets be  
real here,  
I'm too great  
to dance, I  
deserve that  
people dance  
for me as  
an offering  
instead!

oh

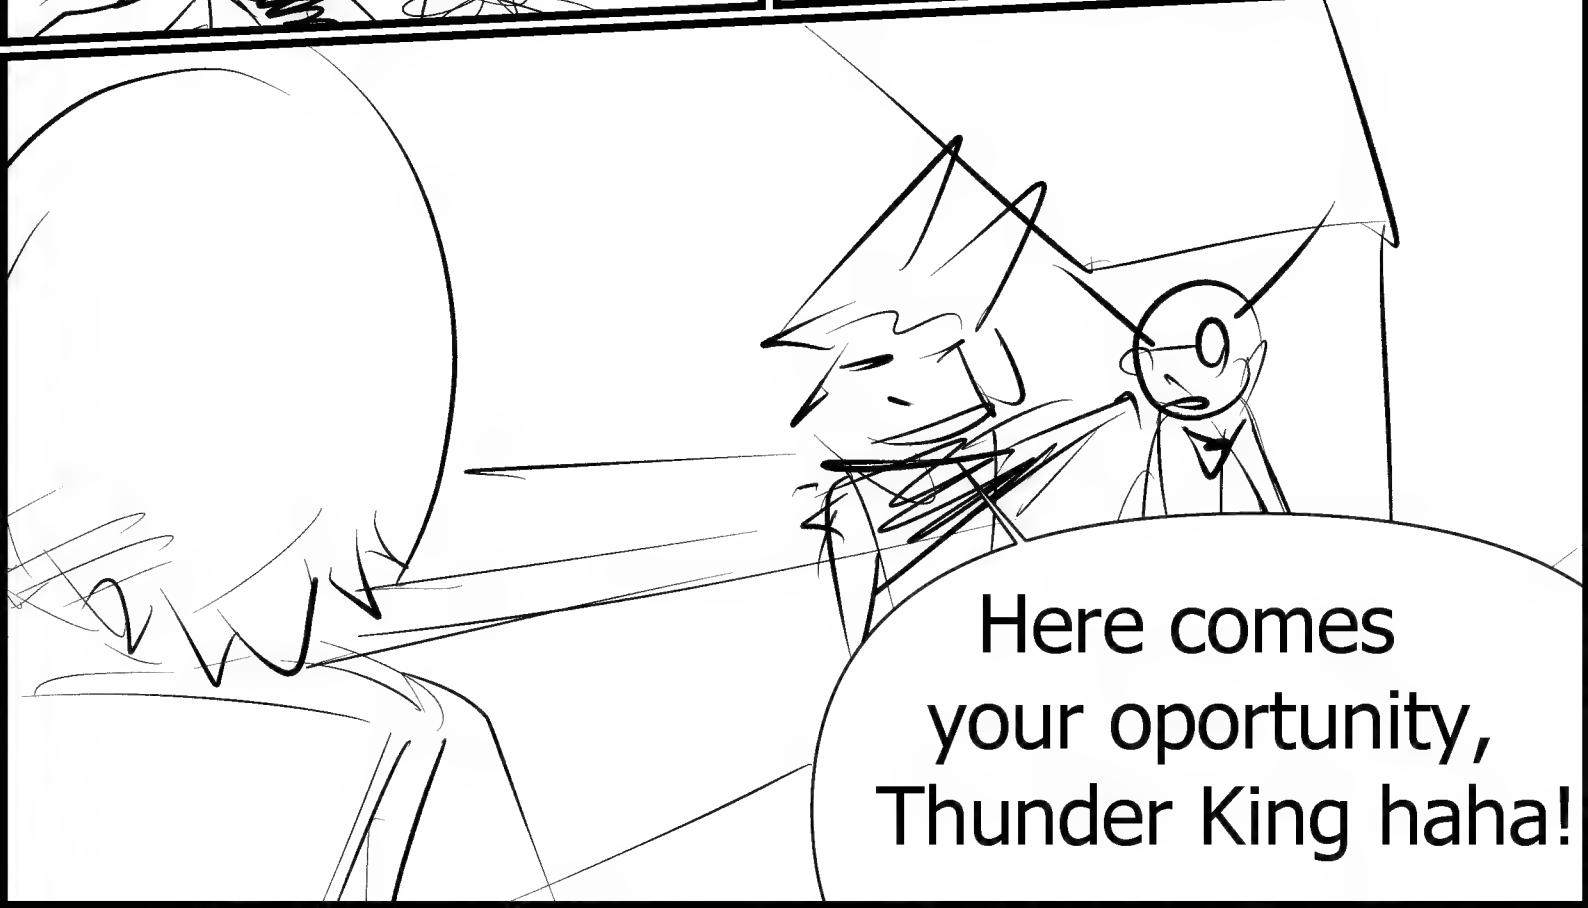

\*click\*

Tch, fine  
by me,  
more space  
for my lovely  
Kim and I!

She is actually  
willingly going  
out with you?  
Thats shocking  
even to me

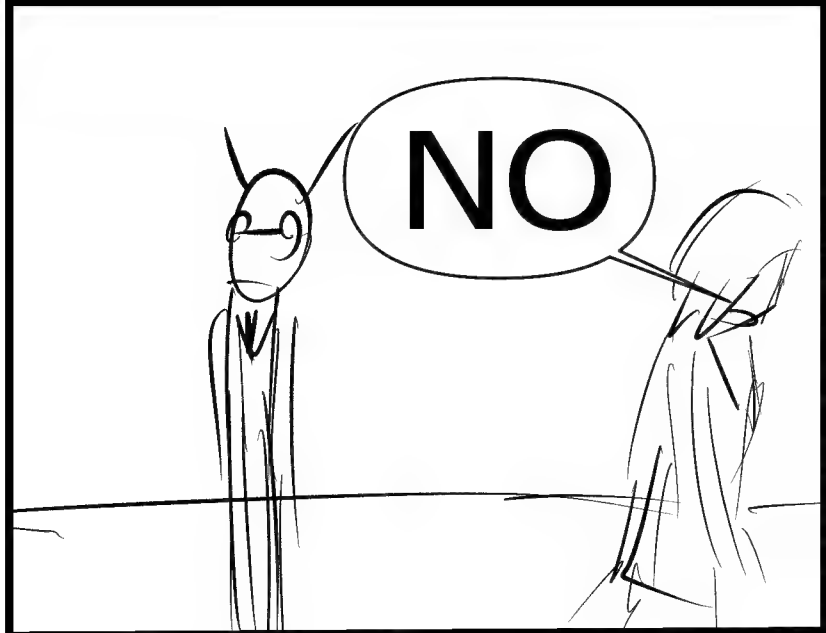

Ofcourse!  
Well actually  
I didn't have  
time to ask  
her yet...

Here comes  
your oportunity,  
Thunder King haha!

Hello my dear Kim, would you-

NO

Better luck next time, maybe when you graduate to being the lighting empeor haha!

Hmm, but actually I haven't fought against her in a while...

Hey Kim wait, the great Black\*Star has a great offer for you!

What?  
I'll repeat myself: NO!

My greatness is  
that overwhelming  
huh?

No

Then why?

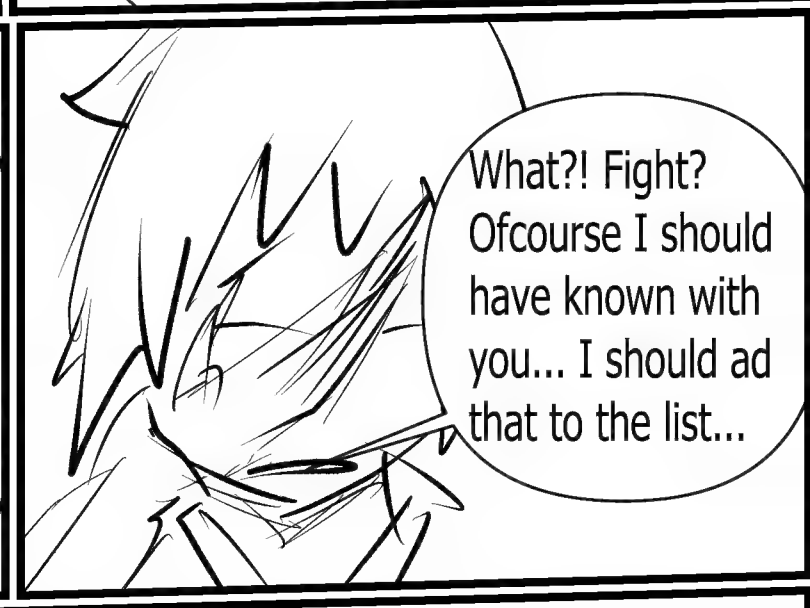

Oh you want  
to know?

Well, you are short,  
obnoxious, dress like  
a 8 year old on halloween  
and your hair color is  
just not my type

Strange,  
normaly  
insults  
are the  
reason for  
not against  
a fight...

What?! Fight?  
Ofcourse I should  
have known with  
you... I should ad  
that to the list...

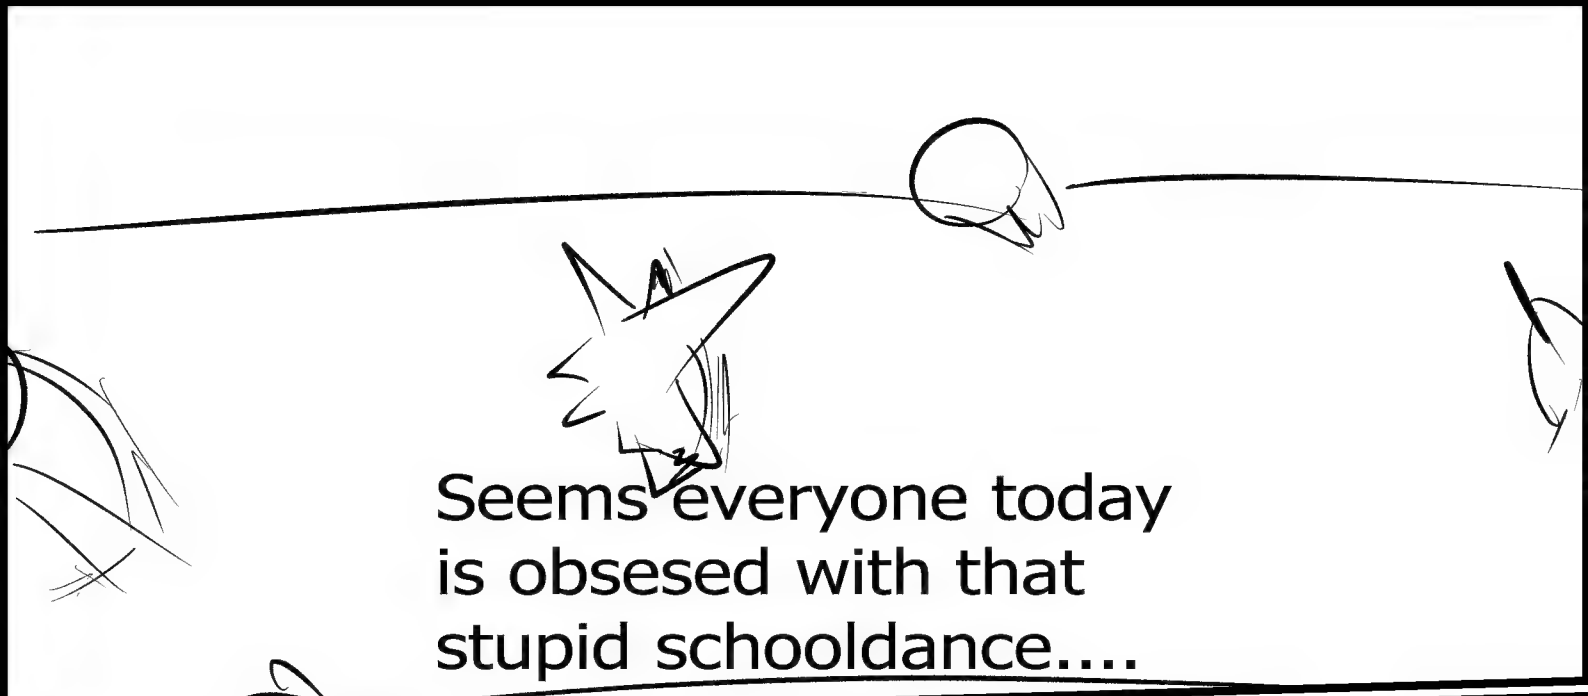

I don't get  
how Tsubaki  
can tolerate  
you

Yeah she  
is great

Maybe you should  
repay her kindness  
and do something  
nice like going to  
the dance with her?

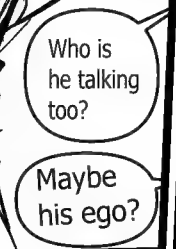

Seems everyone today  
is obsessed with that  
stupid schooldance....

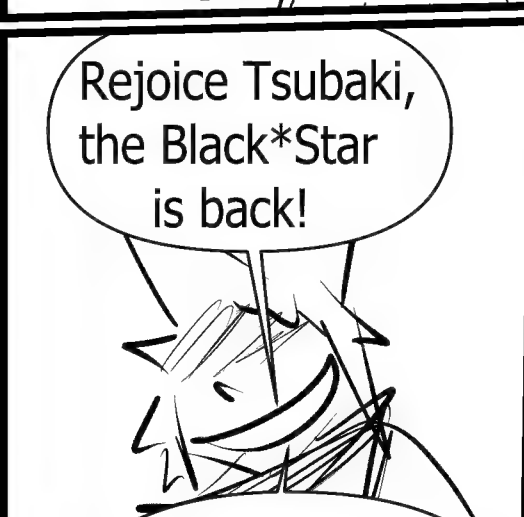

Might as well  
go home  
and take  
a bite, haven't  
eaten all day!

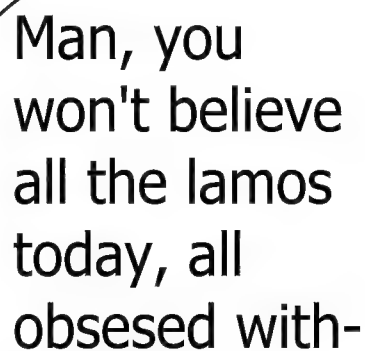

Who is  
he talking  
too?

Maybe  
his ego?

Rejoice Tsubaki,  
the Black\*Star  
is back!

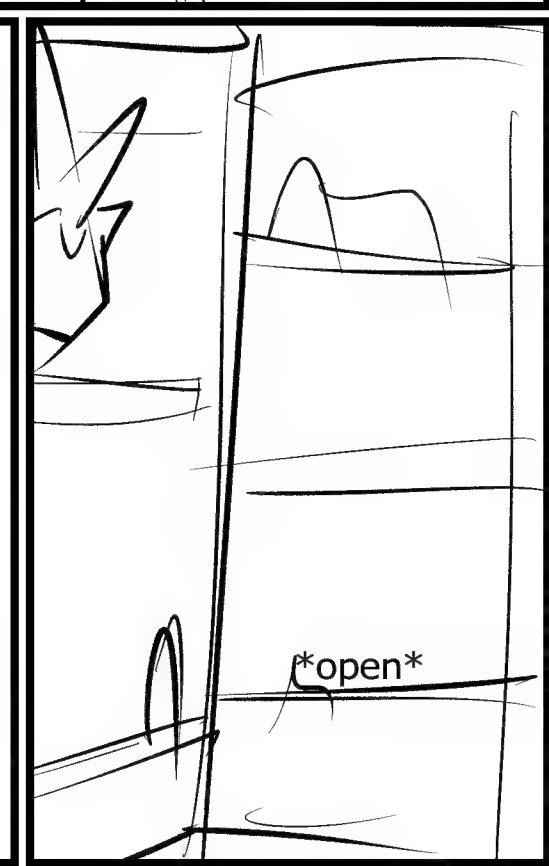

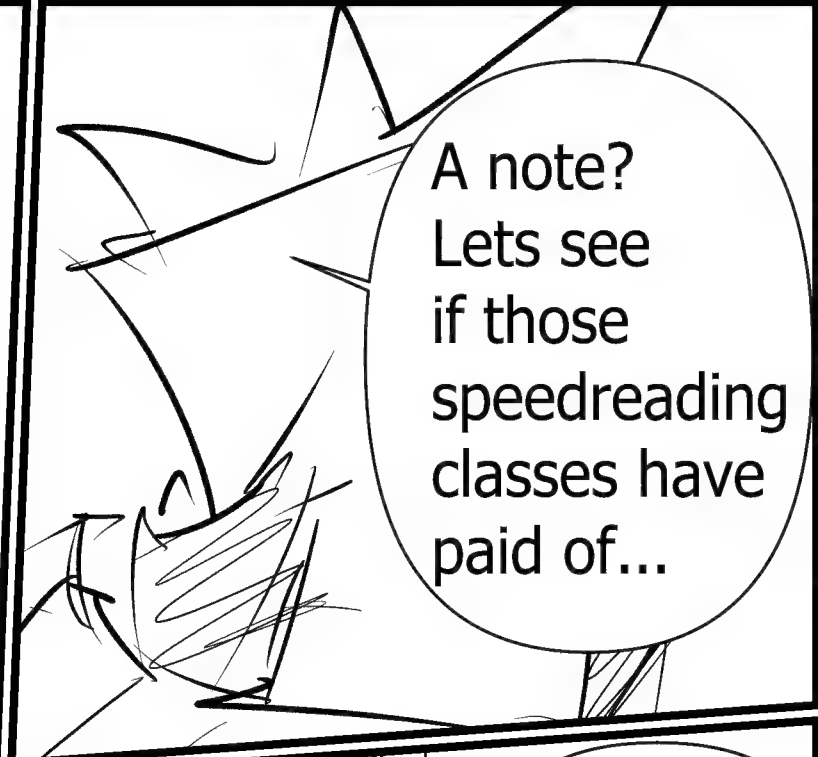

Man, you  
won't believe  
all the lamos  
today, all  
obsesed with-

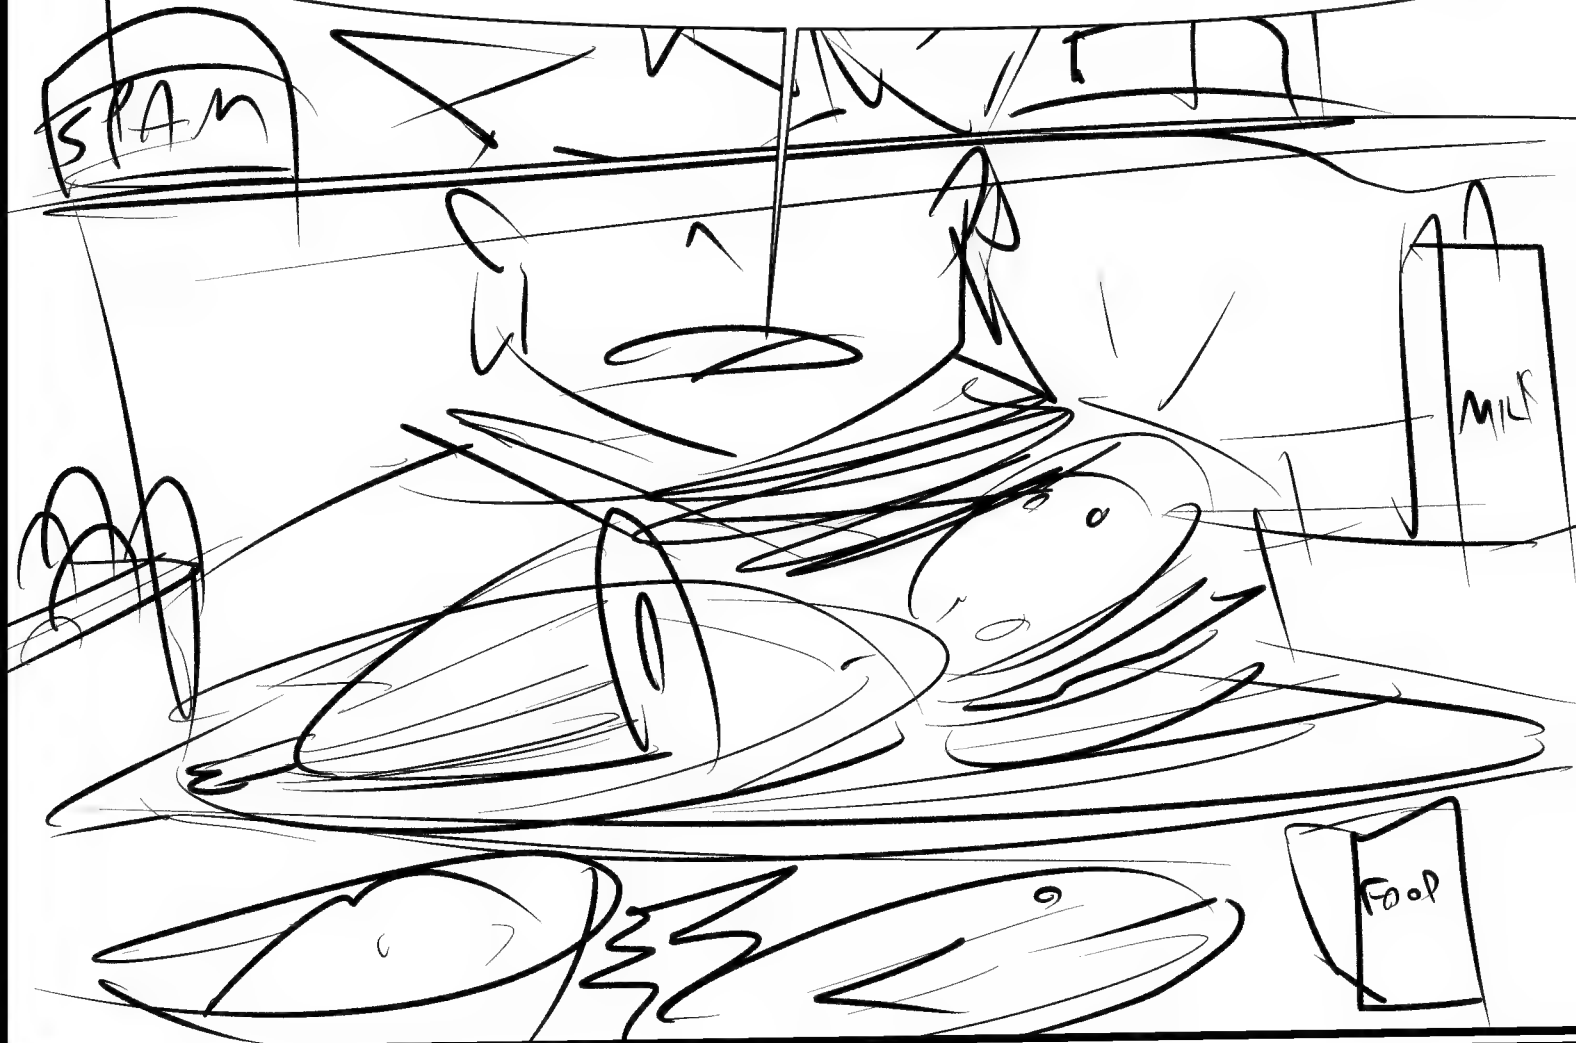

Tsubaki?

Hm?

Man there is literally nothing to eat!

\*slam\*

Food...  
where  
is there-  
Aha!  
Partys  
have  
food!

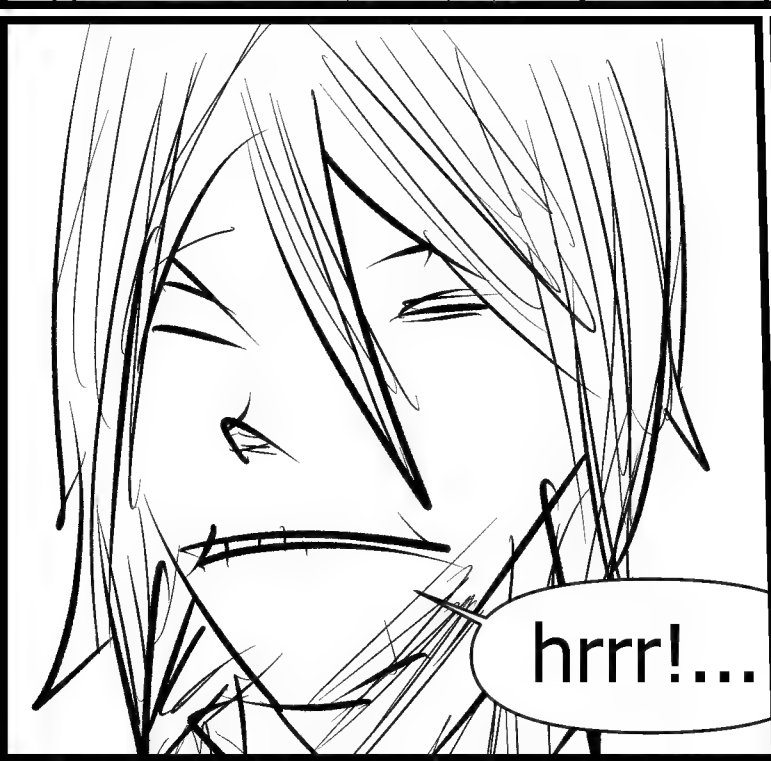

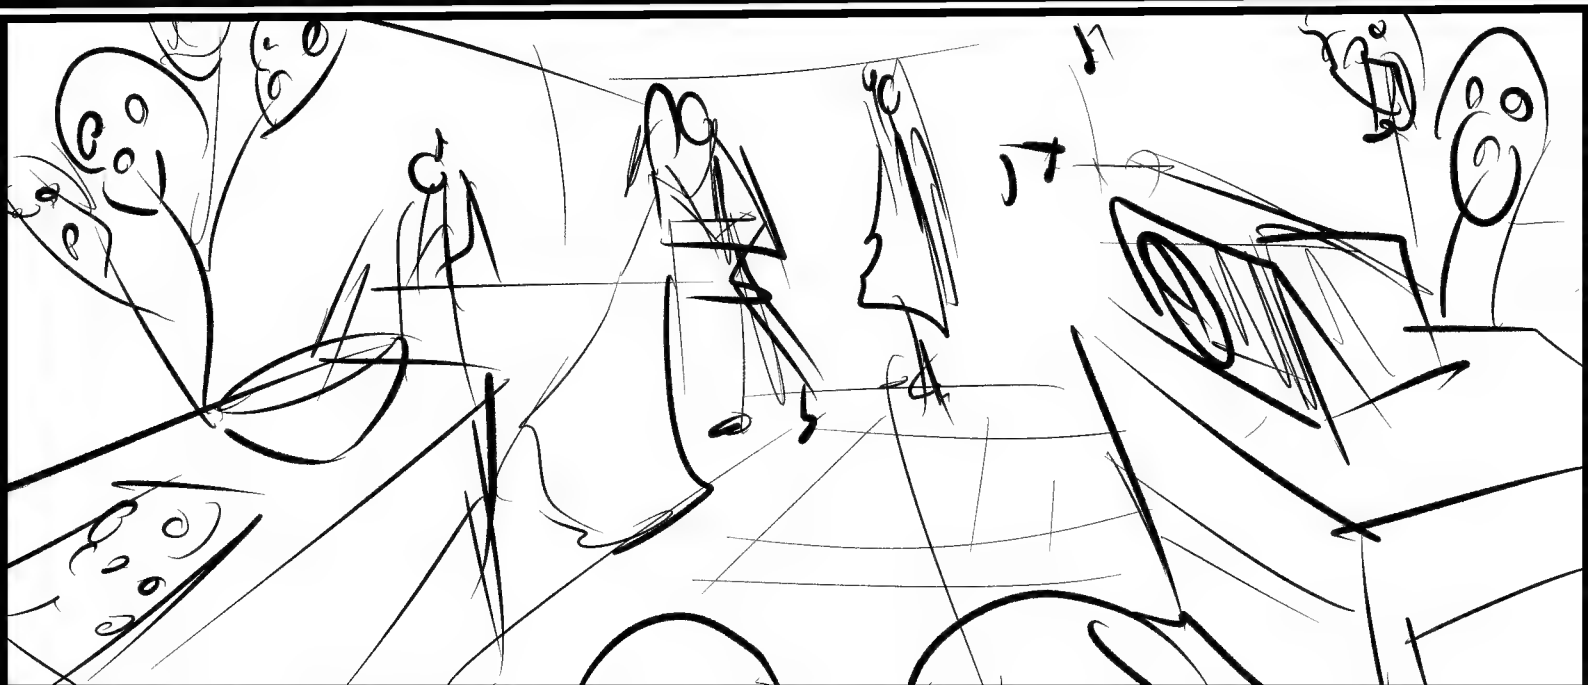

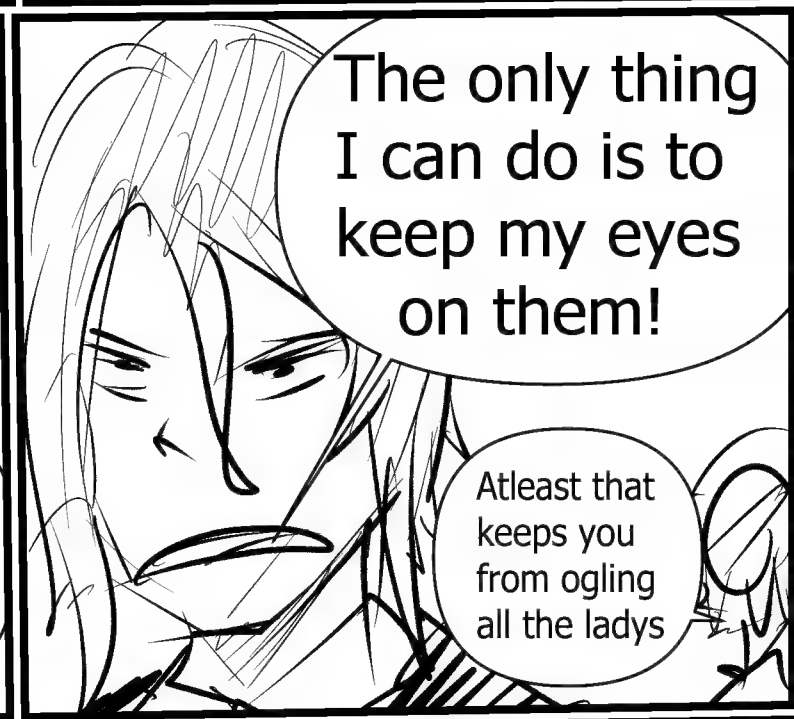

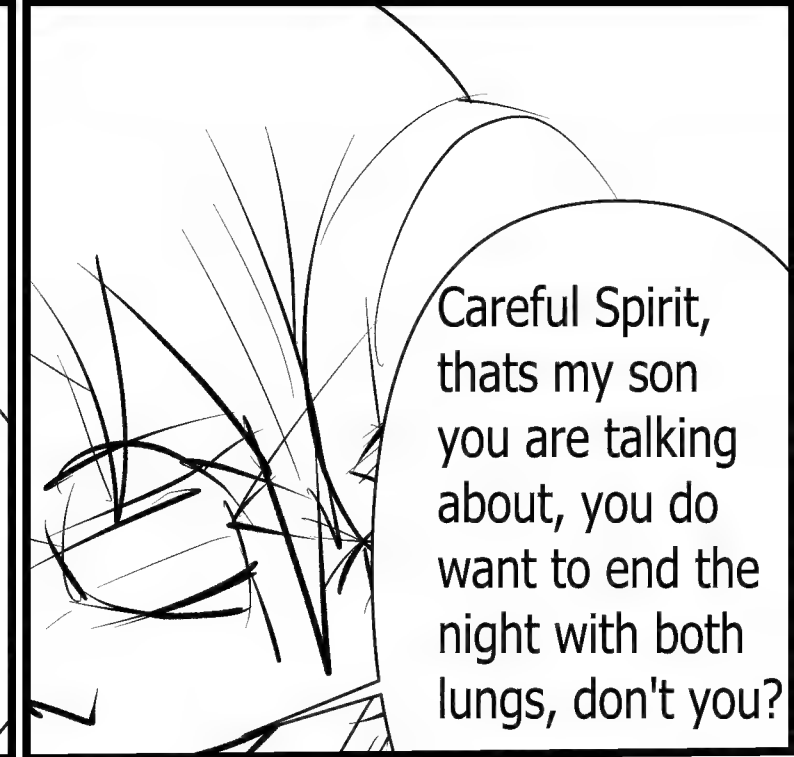

Seems I  
be joining  
you afterall,  
Tsubaki!

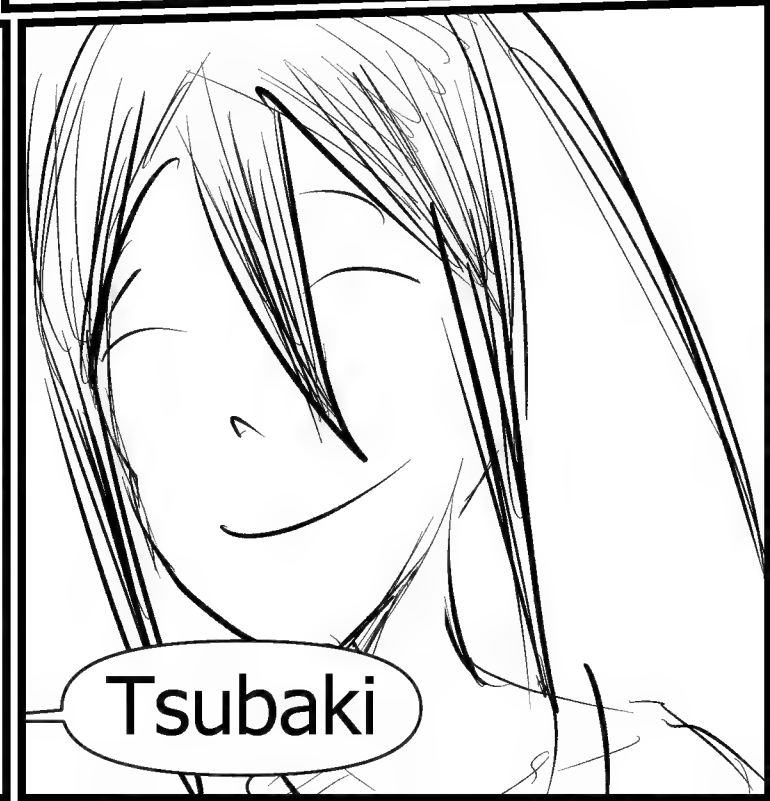

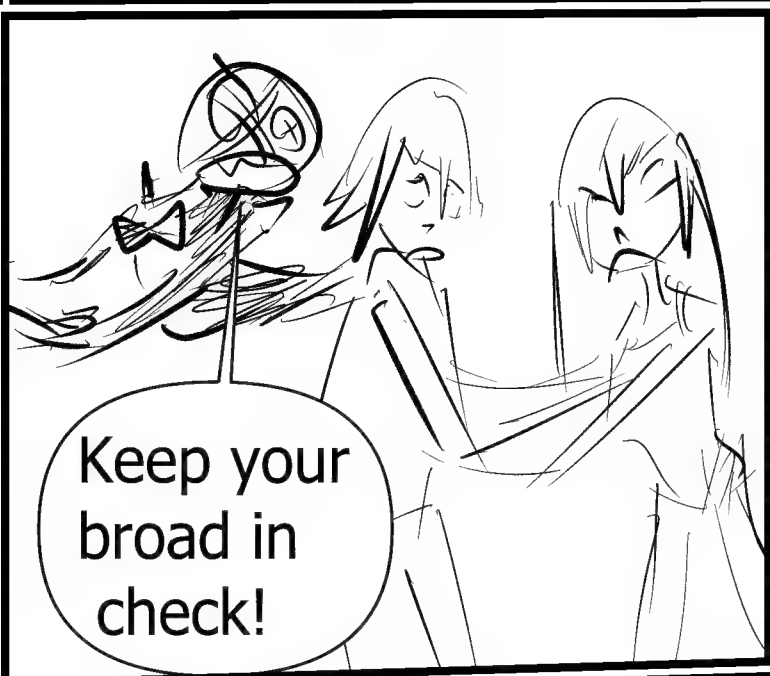

Even if I'm  
late, they  
should be honered  
by my lateness!

The party at  
the gallows  
manor is  
in full swing

I don't mind them,  
I'm just enjoying  
the evening

\*snap\*

Oh, then you  
will love this!

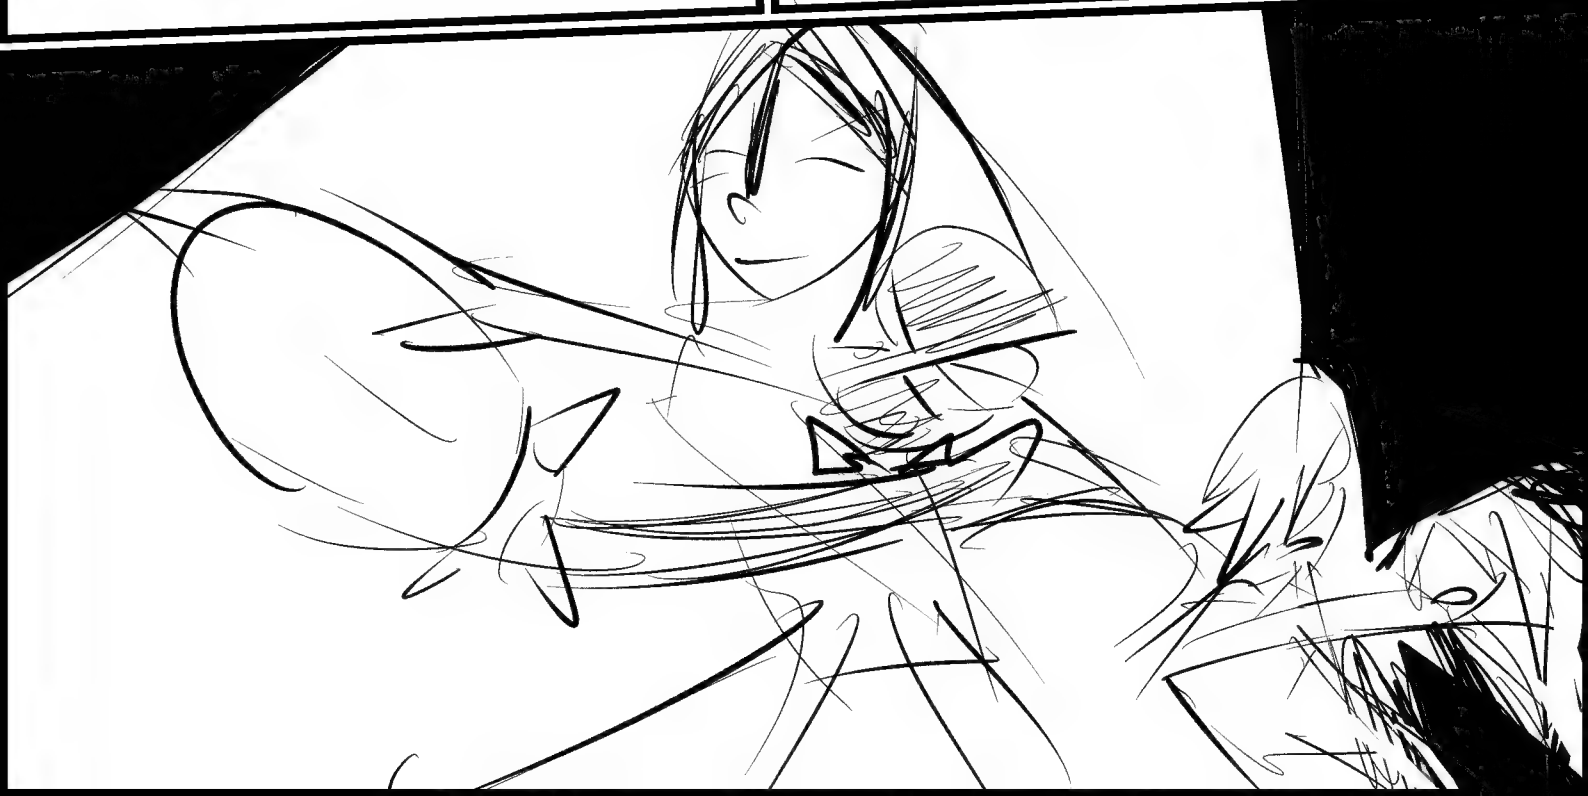

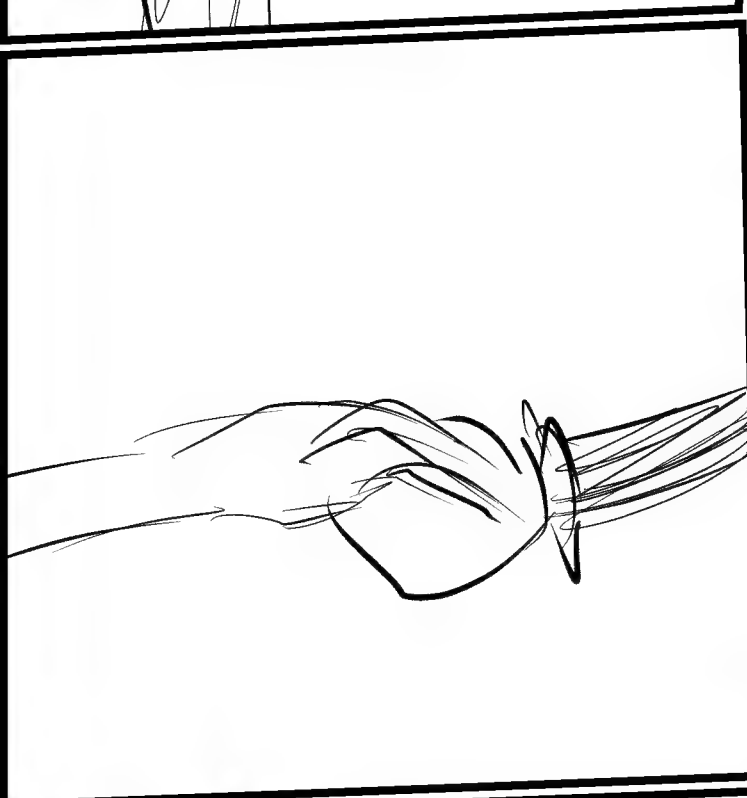

\*thud\*

\*thud\*

I have  
a bad  
feeling  
about  
this

Living with  
Ragnarok made  
me used to  
bad feelings  
from him

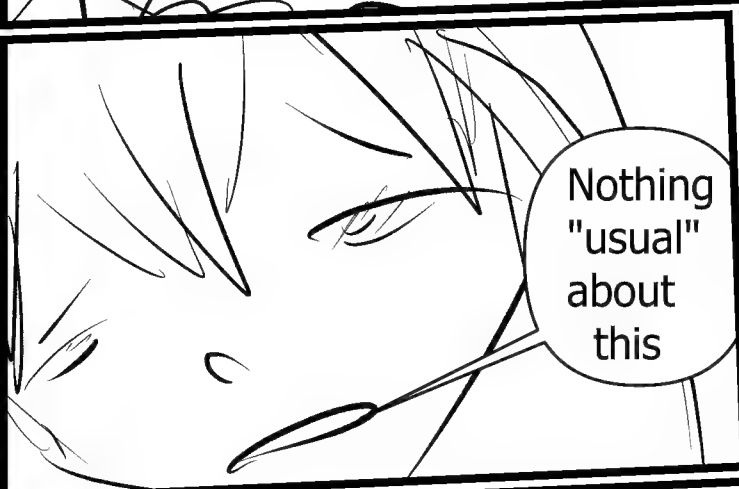

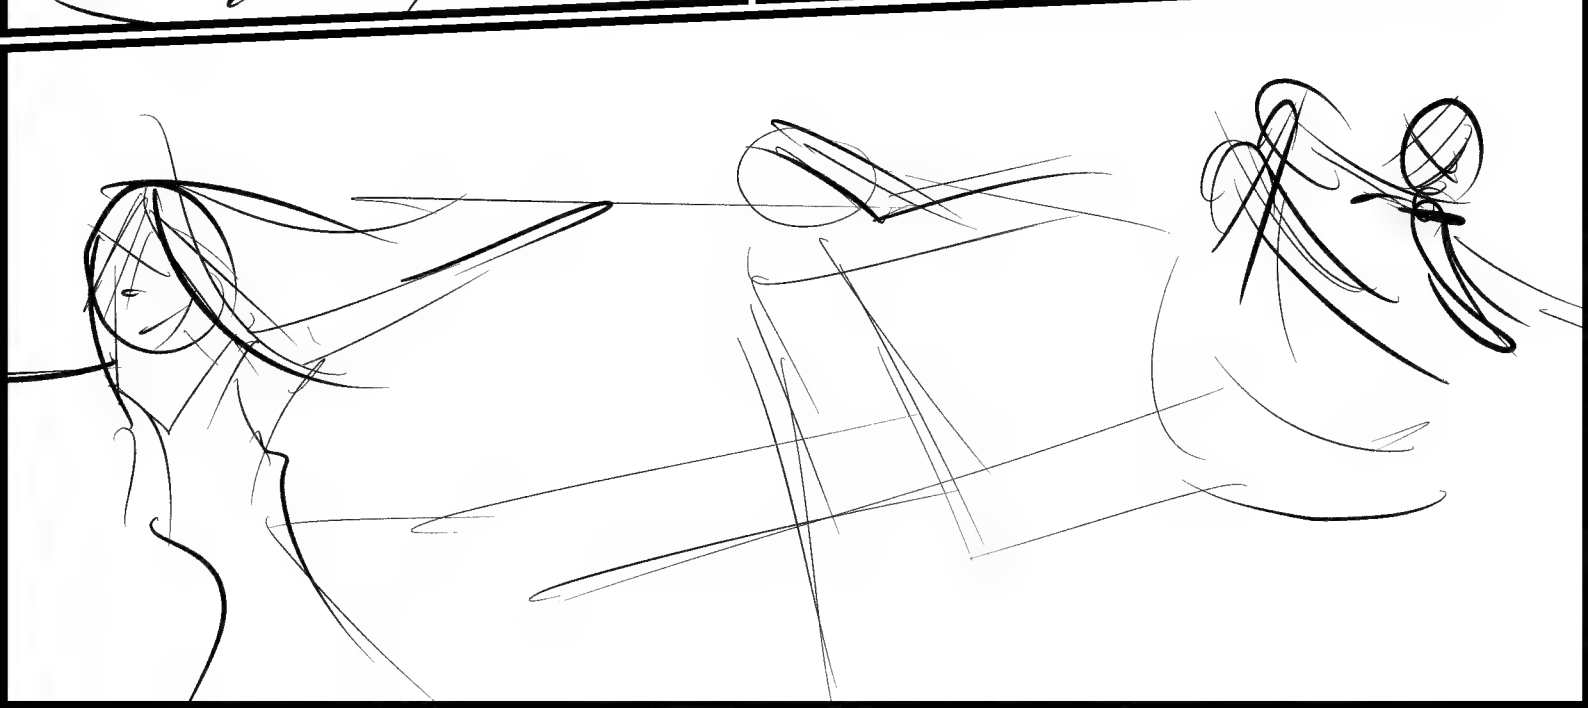

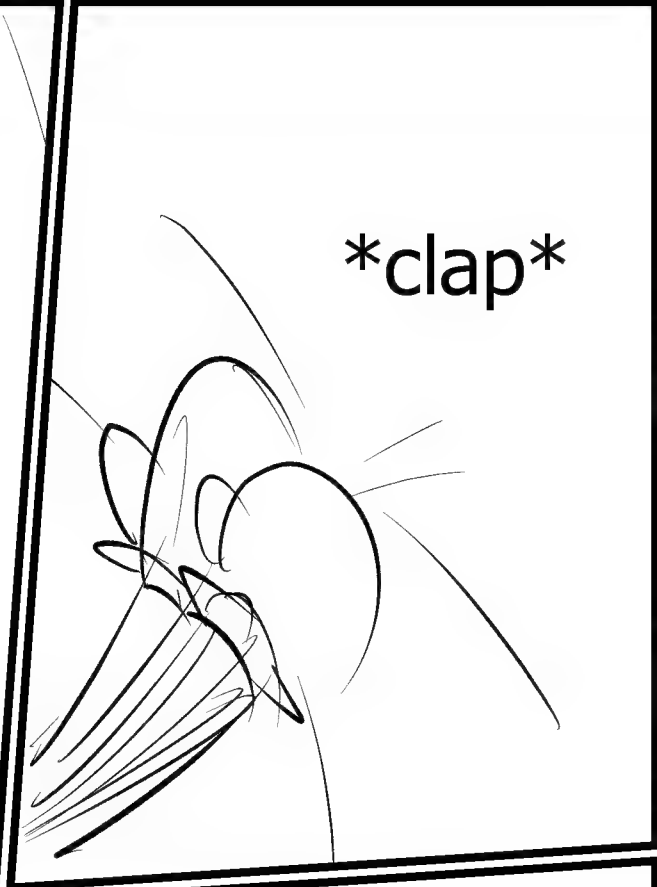

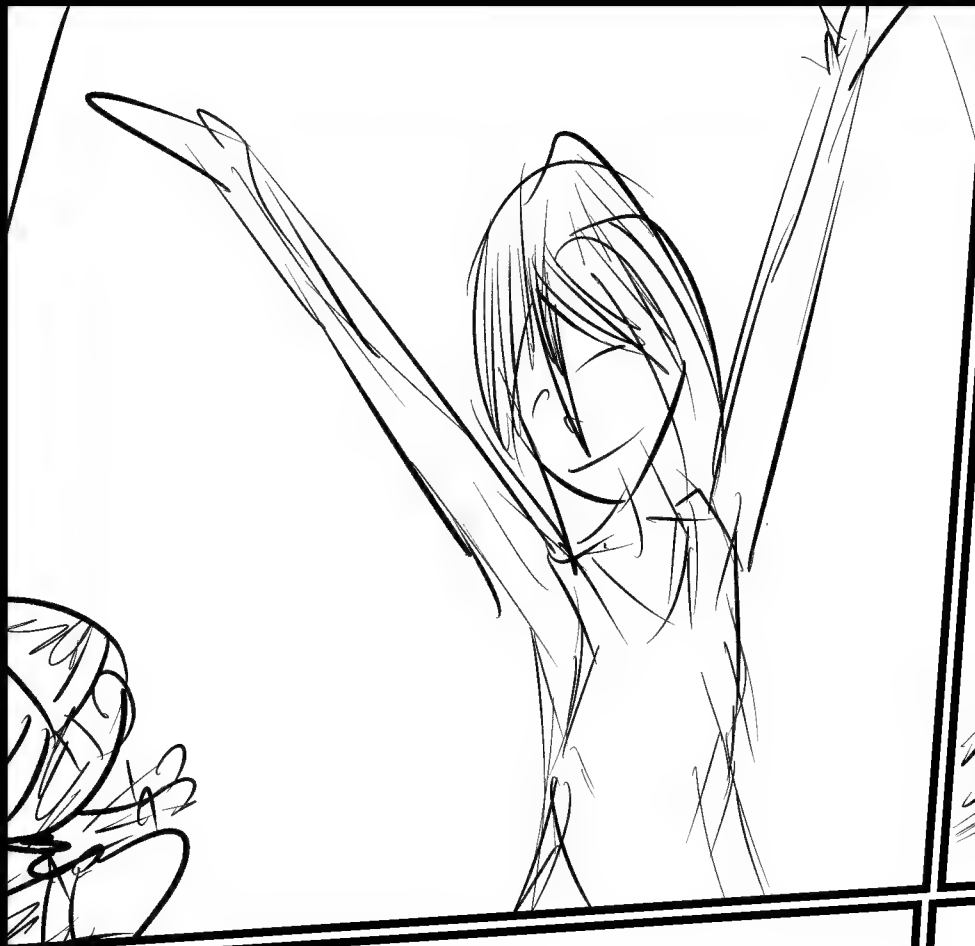

I think  
I'm gonna  
get squashed  
to death

I'm so sorry  
that it ended  
up like this,  
like usual

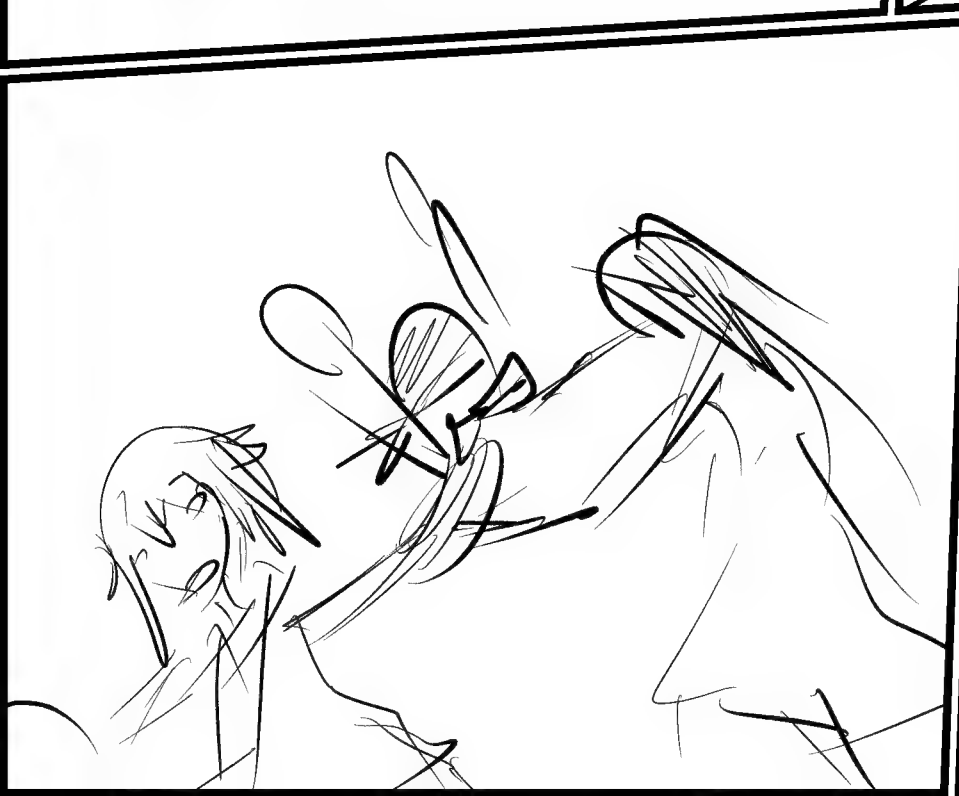

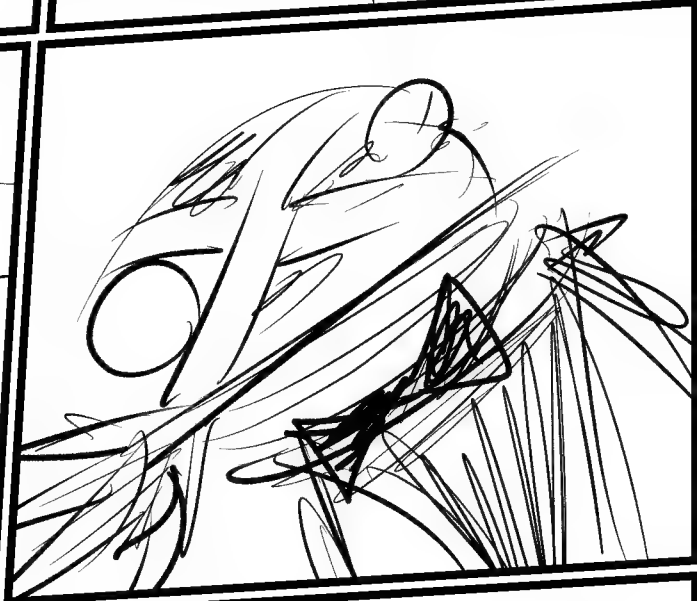

Nothing  
"usual"  
about  
this

\*clap\*

Wait if he  
lifted her  
up... No  
she can't-

Spoke  
to soon!

She needs  
to keep up  
with Black\*Stars  
strength afterall

ouch

Bravo

\*clap\*

Delightfull!

\*clap\*

Oh my little Ragnarok  
is such a romantic!

That could've  
been worse

If that's  
finnaly over,  
it can't get-

Shh!

hmm?

Maybe if  
we don't  
say it, we  
won't tempt  
fate and for  
once this cruel  
world will leave  
us in peace

**\*THUD\***

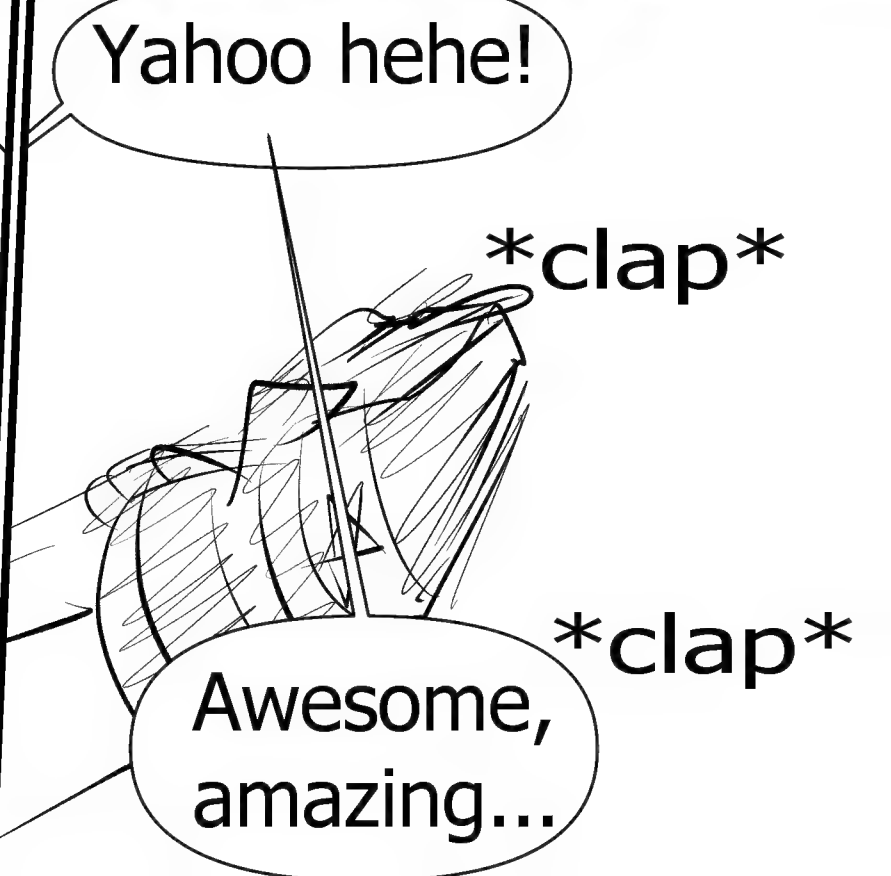

My existense is like in a  
greek tragedy, the pain comes  
from knowing your doom but  
not being able to stop it

Maybe I should  
have made you  
skip the classics...

Yahoo hehe!

**\*clap\***

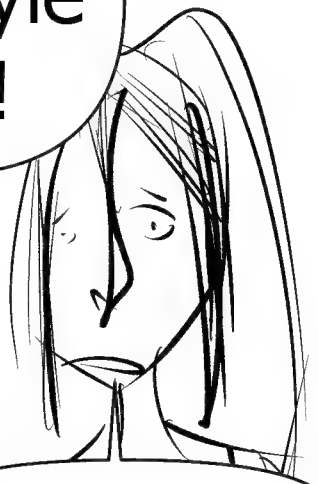

Awesome,  
amazing...

**\*clap\***

What a great show yahoo! Totally not embarrassing for everybody involved!

Nice hairstyle hehe!

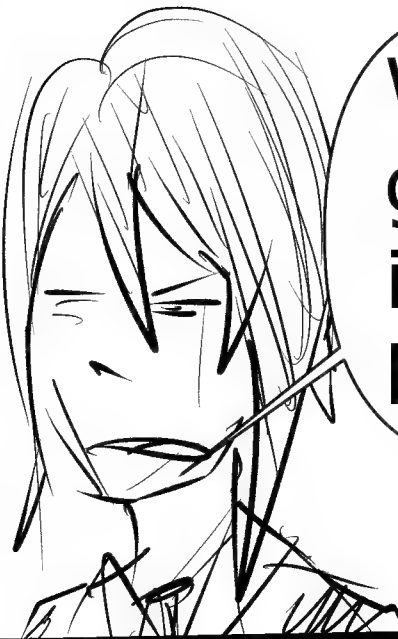

Black\*star?

Shut up you-you- you-

Traitor!

Whats gotten into the brat?

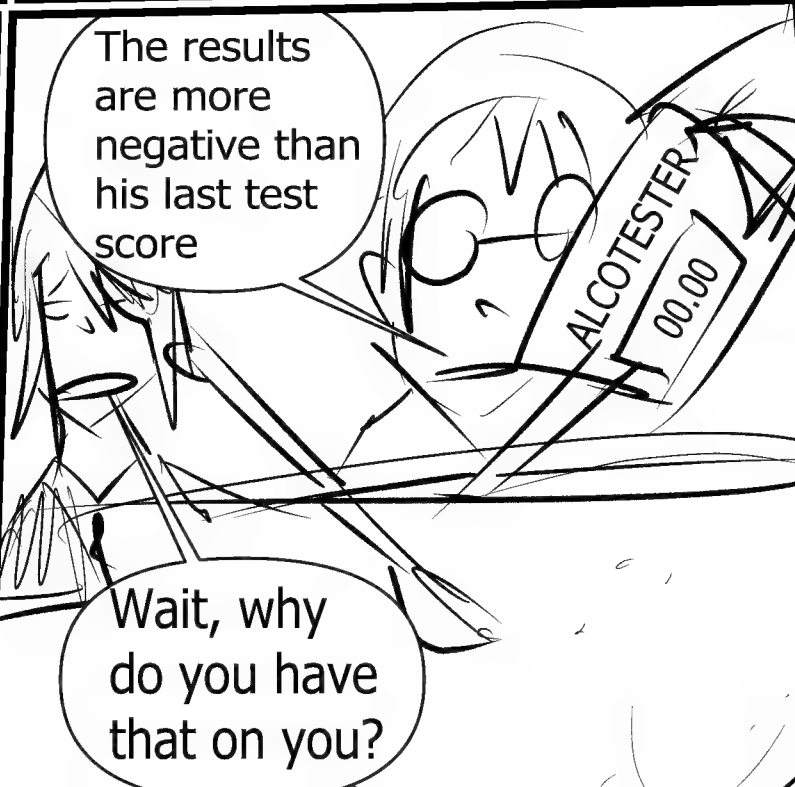

Yahoo!

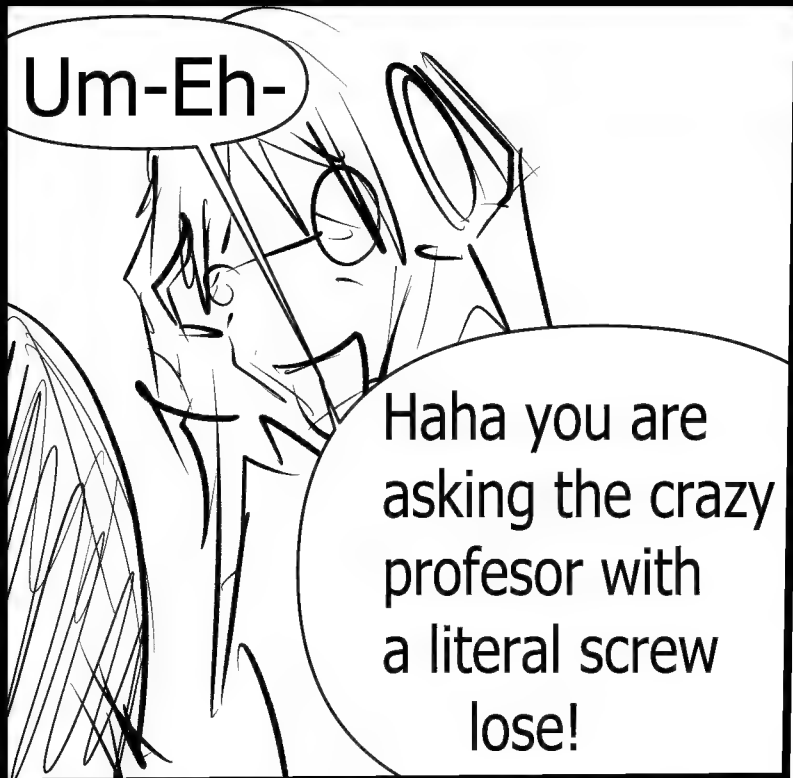

Did somebdy spice the punch again?

Yahoo!

The results are more negative than his last test score

Wait, why do you have that on you?

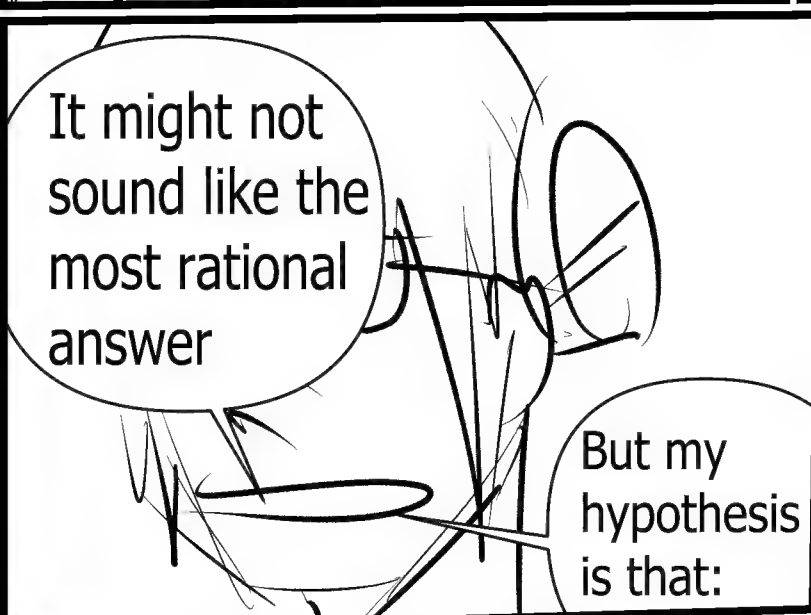

Um-Eh-

Haha you are asking the crazy profesor with a literal screw lose!

Yeah...  
But anyways, why is Black\*Star acting like this then?

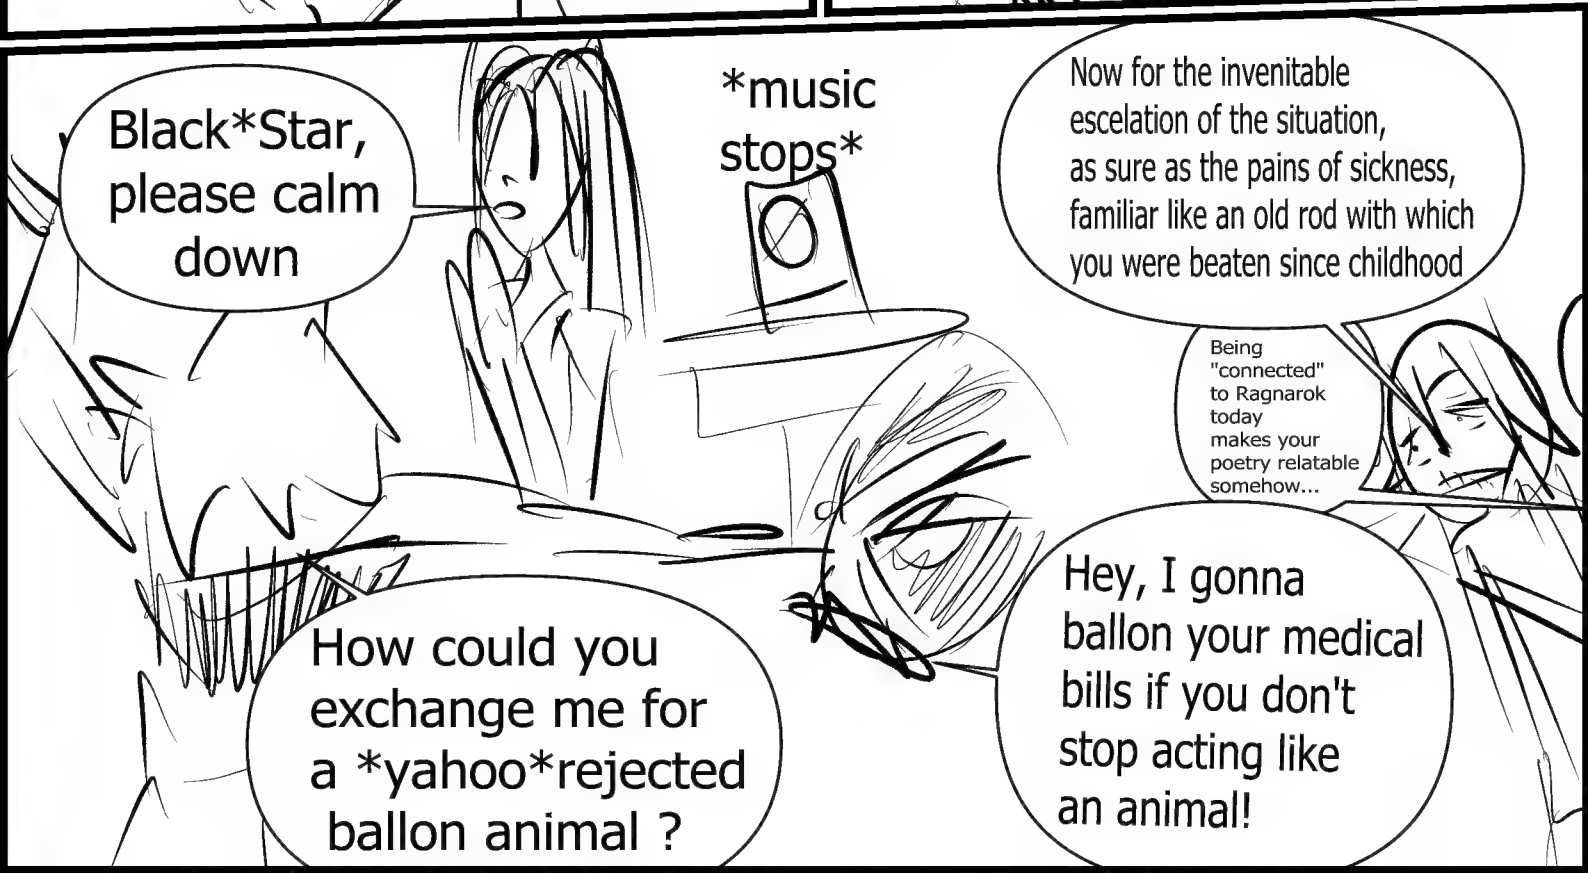

It might not sound like the most rational answer

But my hypothesis is that:

He is punch-drunk

from love

Black\*Star, please calm down

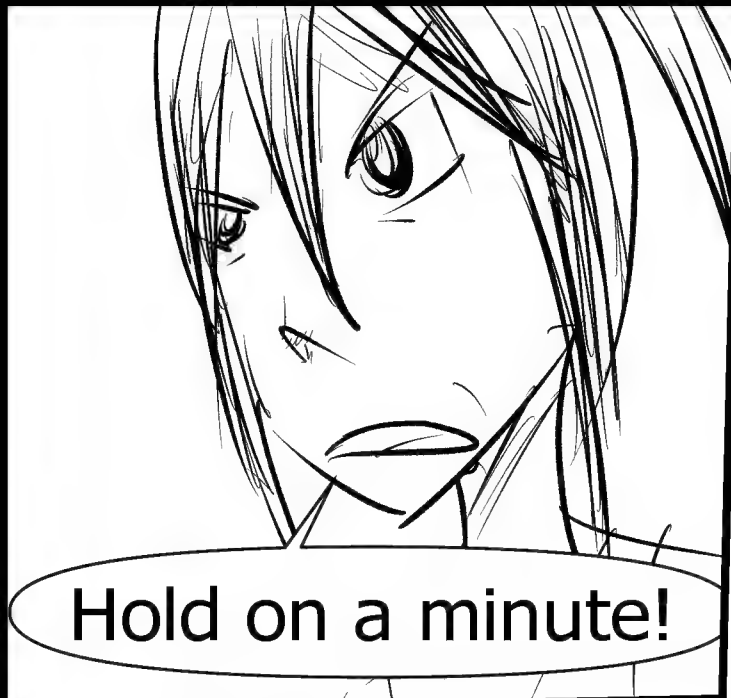

\*music stops\*

Now for the invenitable esclation of the situation, as sure as the pains of sickness, familiar like an old rod with which you were beaten since childhood

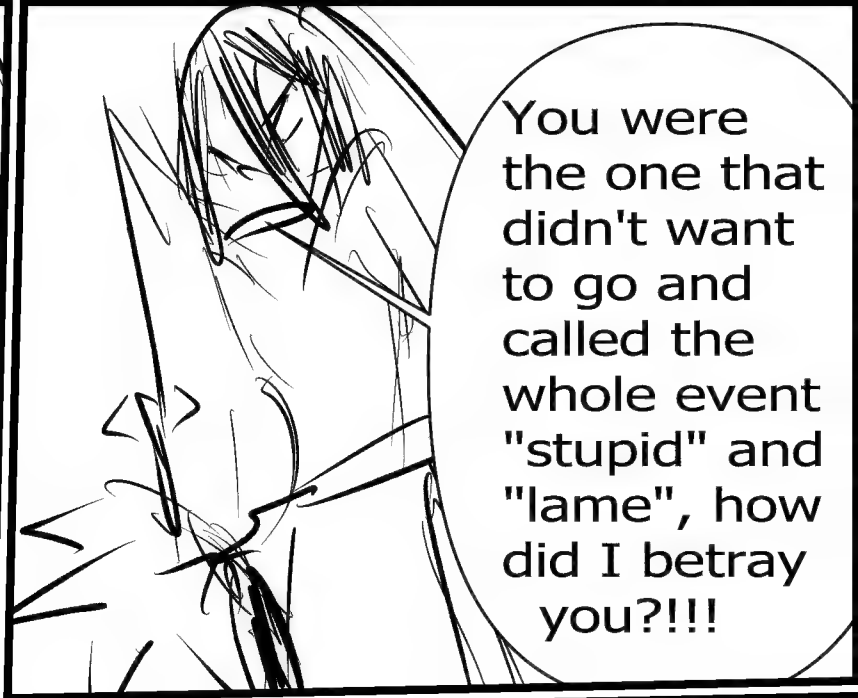

Being "connected" to Ragnarok today makes your poetry relatable somehow...

How could you exchange me for a \*yahoo\*rejected ballon animal ?

Hey, I gonna ballon your medical bills if you don't stop acting like an animal!

Hold on a minute!

You were the one that didn't want to go and called the whole event "stupid" and "lame", how did I betray you?!!!

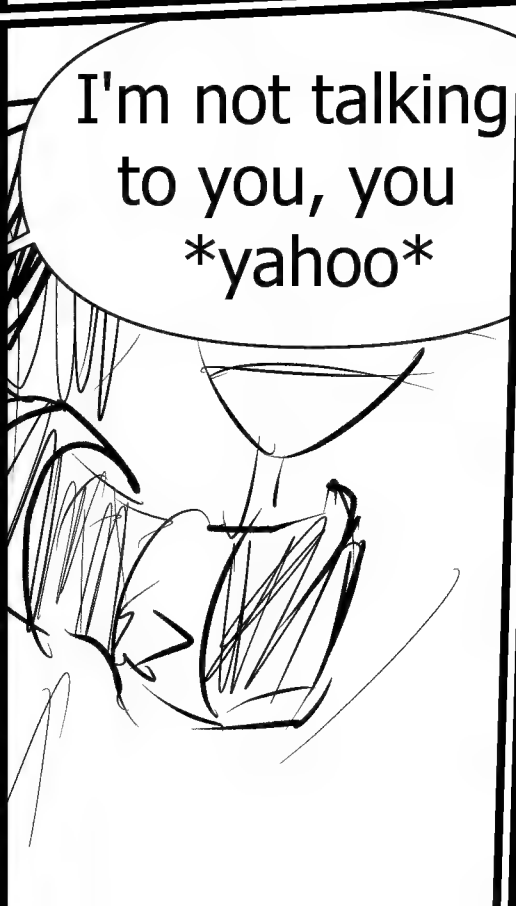

Tch, you- you still could have warned me \*yahoo\*

Warn you about what?

She doesn't owe you anything buddy!

I'm not talking to you, you \*yahoo\*

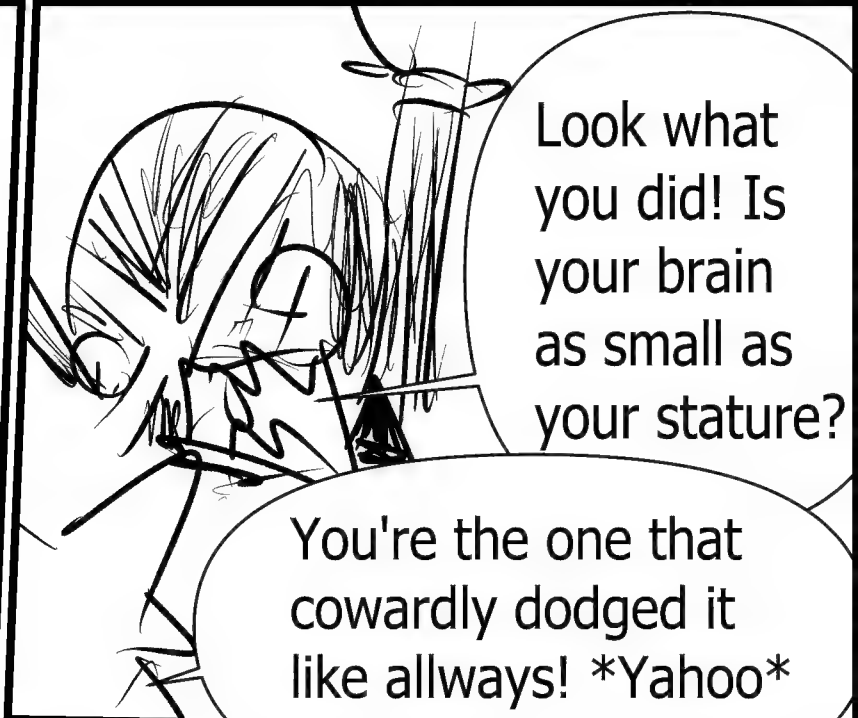

Wow, truly godlike aim hehehe!

\*splash\*

Look what you did! Is your brain as small as your stature?

You're the one that cowardly dodged it like allways! \*Yahoo\*

Just crawl back into the back you came from or are the humans souls here to tasty looking for you monster?

You \*Giupi\*

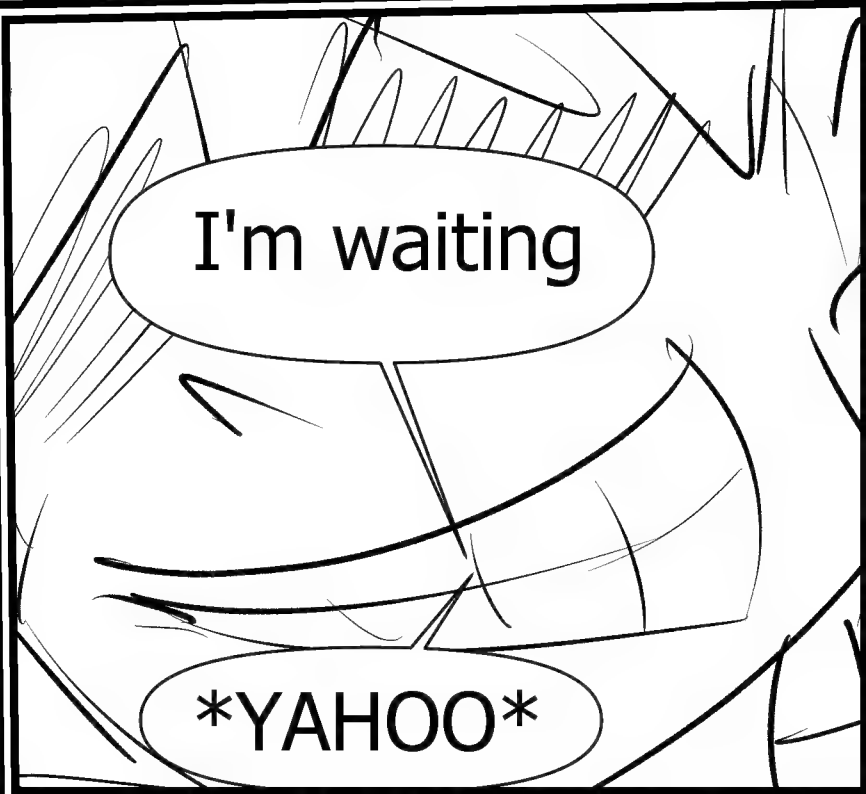

Thats enough, both of you!

Oi getting angry? What are you goingto do with your limp noodle arms? A plush bear is more scary than you! YAHOO!!!

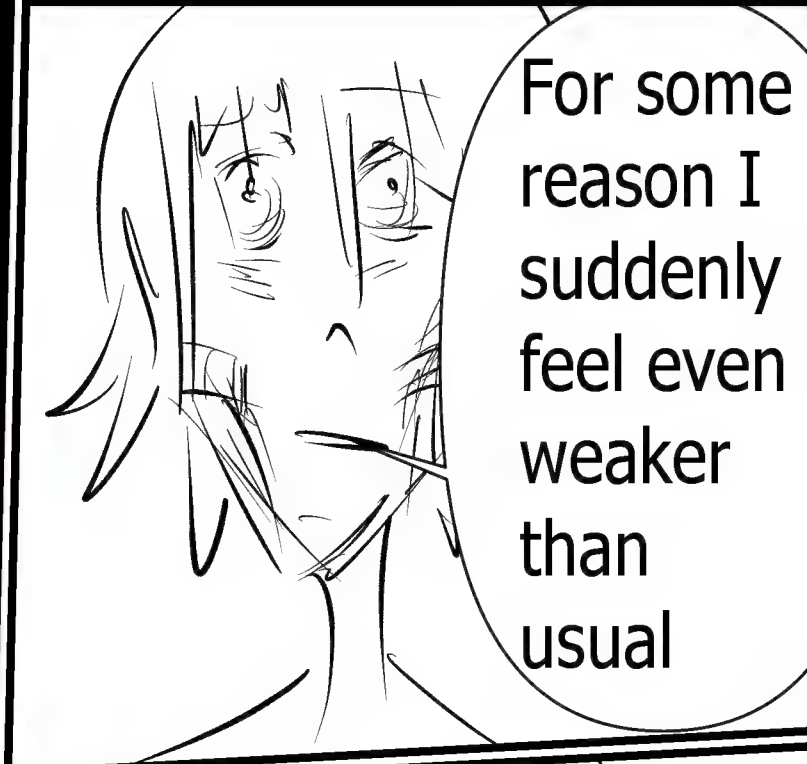

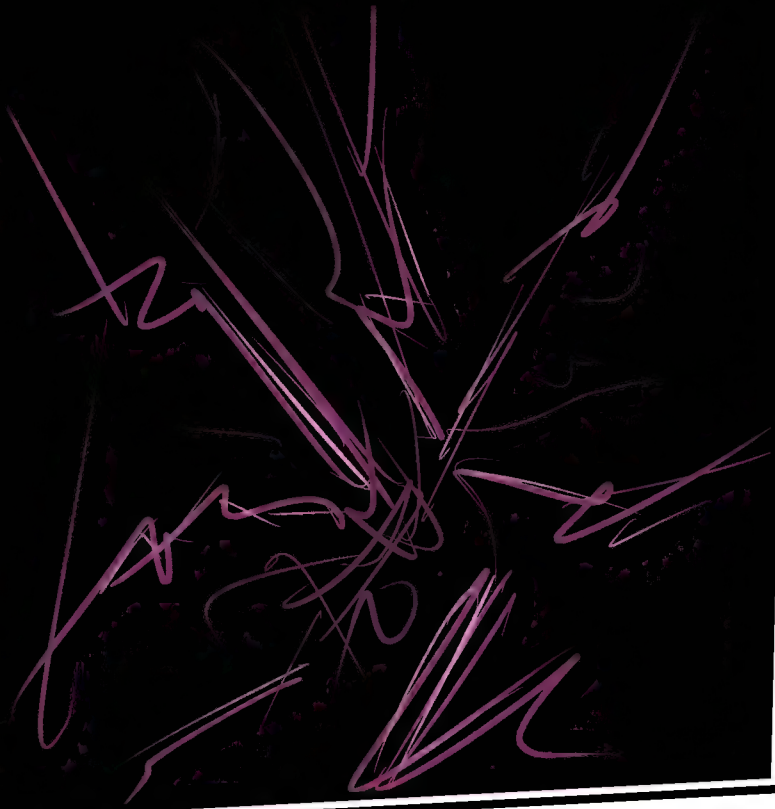

I'll show you

Scary, GIUPI!

I'm waiting

\*YAHOO\*

For some reason I suddenly feel even weaker than usual

Like all my energy was sucked out

My blood leaving like students when the bell rings

Maka, please just let go and leave me, because now I got a bad feeling, thats worse than normal with Ragnarok

Nonsense, what kind of friend would I be if I bailed on you now!

AHHH!!!

GUIPI!!!

Please,  
just stop  
before-

A reasonable  
one?

Yahoo, let's go  
big guy if you  
finished pumping  
yourself full with  
hot air!

AHHH!!!

\*THUD\*

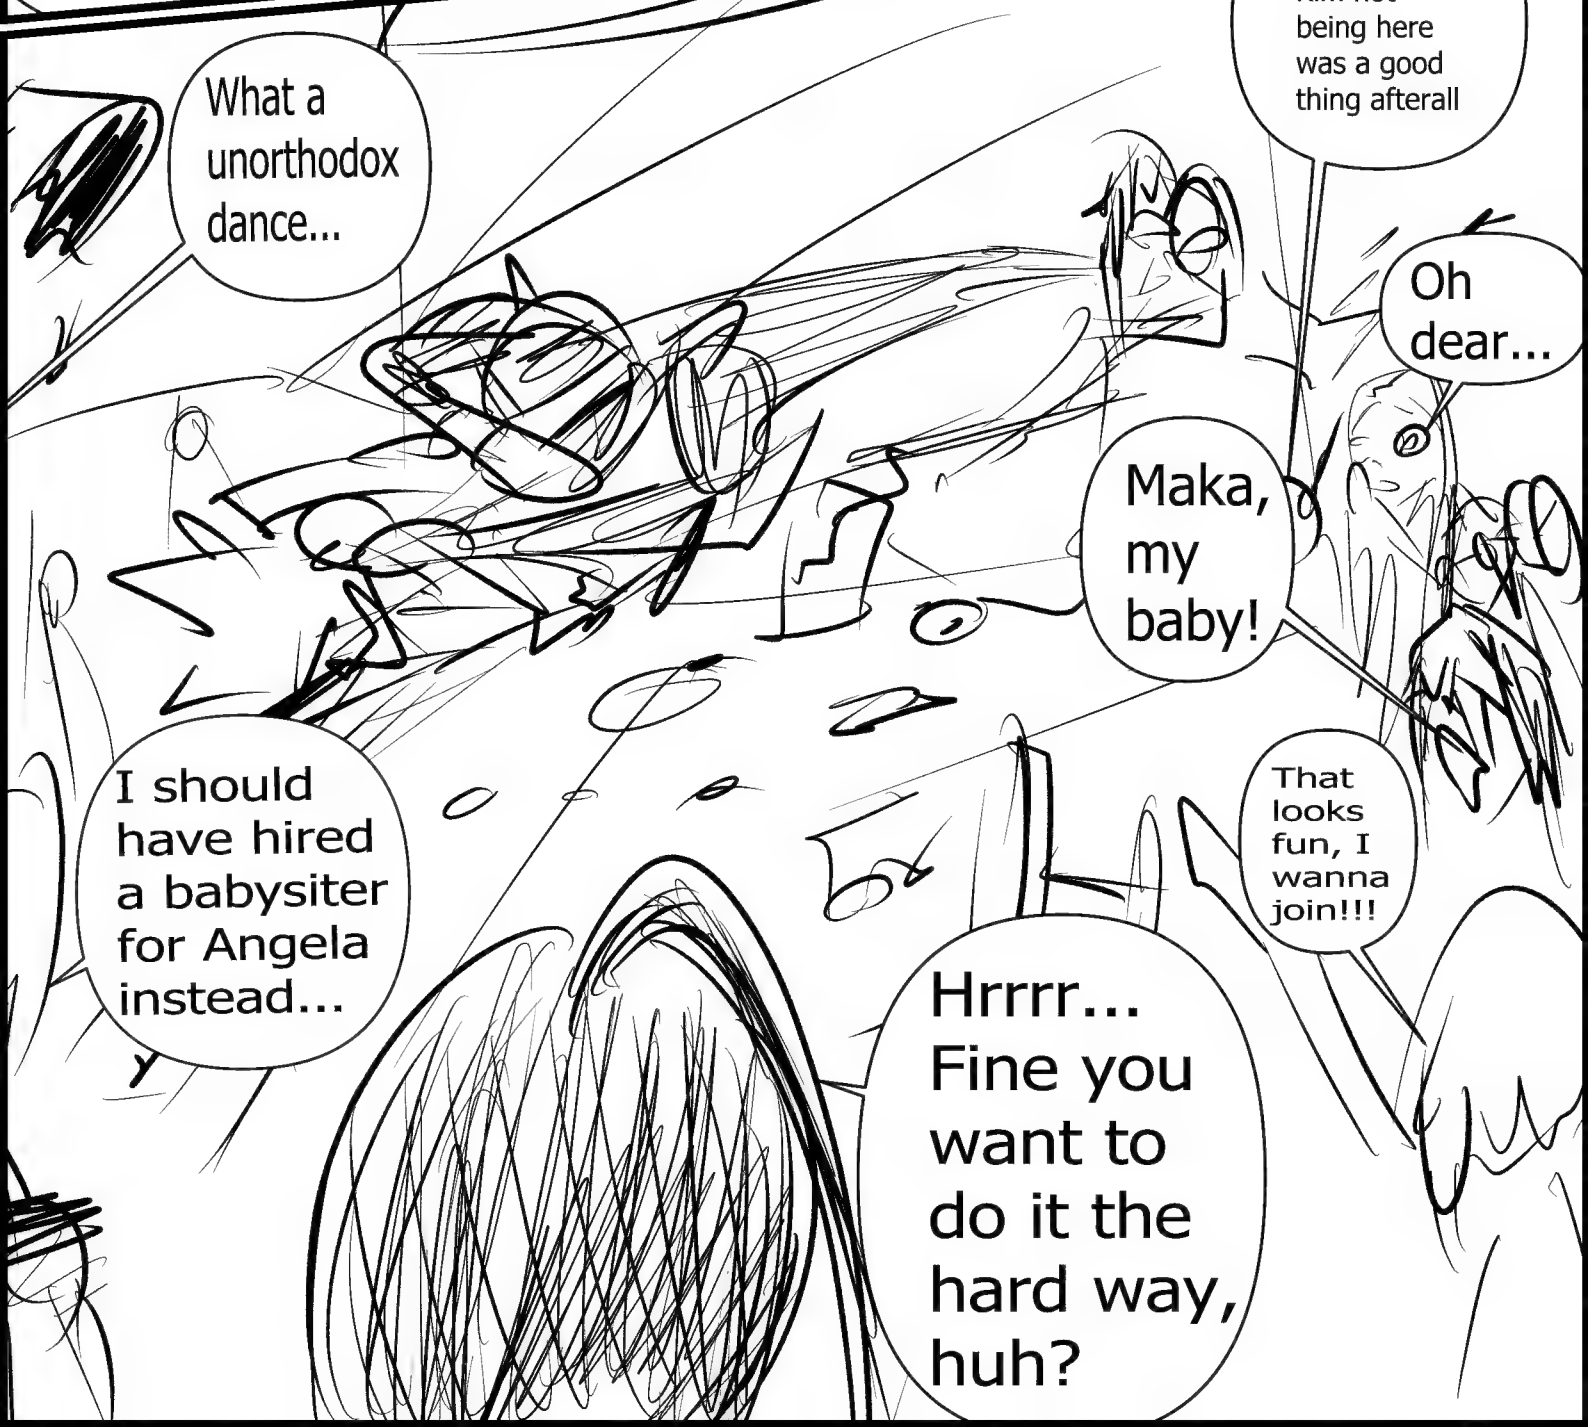

Maka, I know I shouldn't say it, but this time I really don't-

It's okay, I understand

Because I also don't know how to deal with this!

What a unorthodox dance...

Maybe Kim not being here was a good thing afterall

Oh dear...

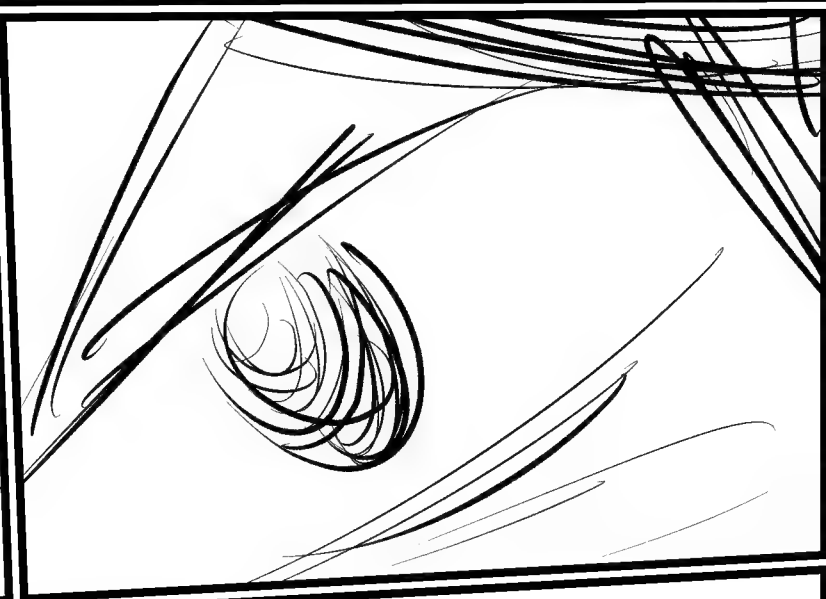

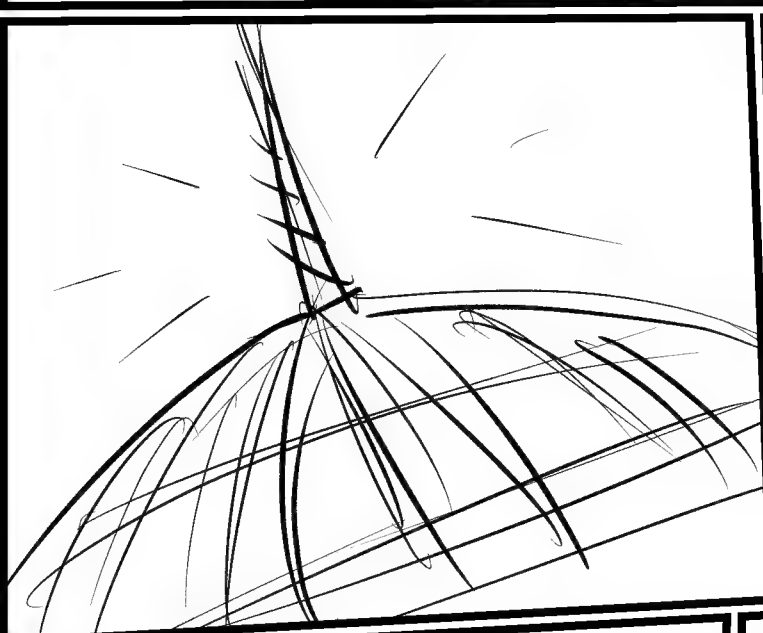

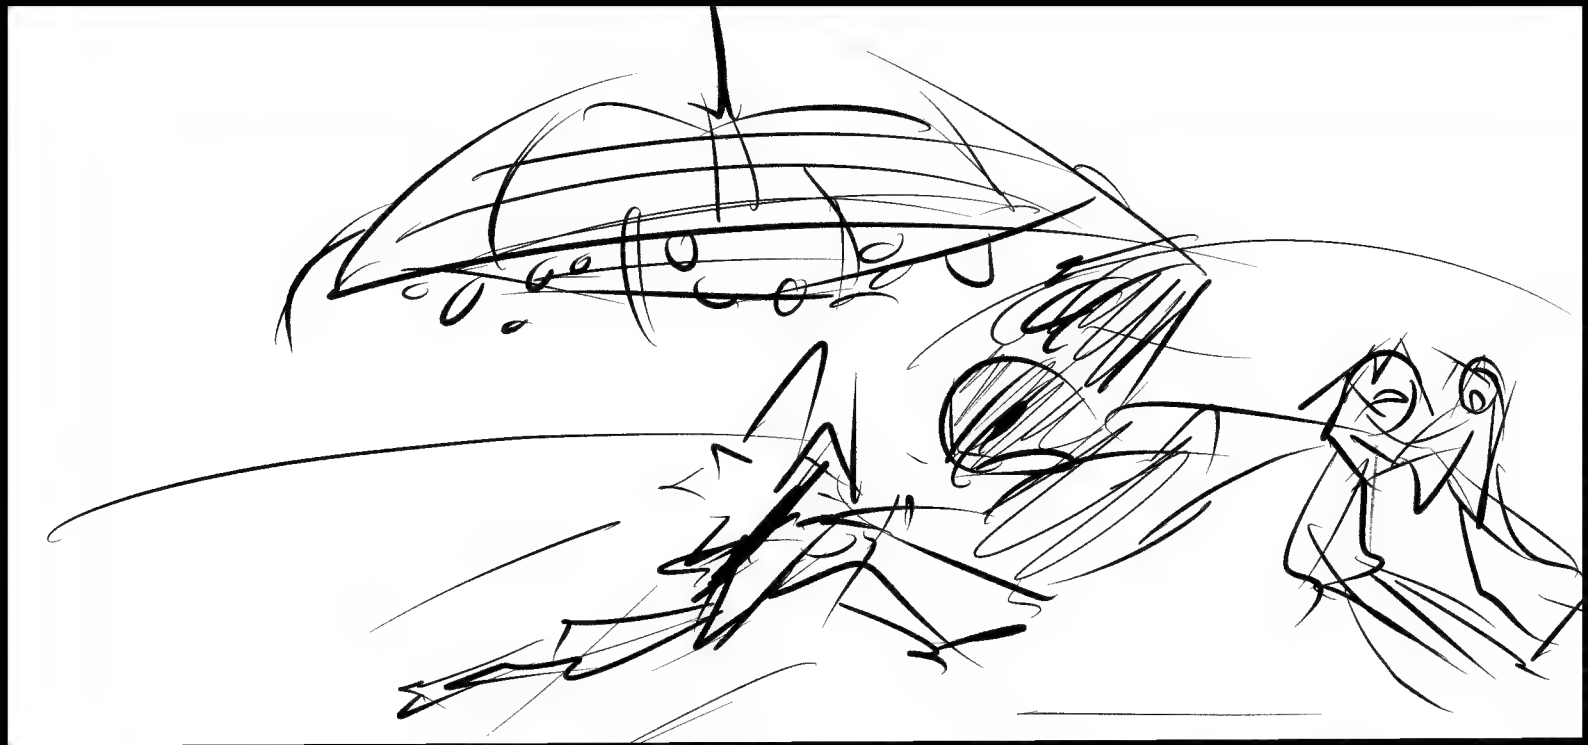

Maka, my baby!

I should have hired a babysiter for Angela instead...

That looks fun, I wanna join!!!

Hrrrr... Fine you want to do it the hard way, huh?

\*swish\*

**\*BOOM\***

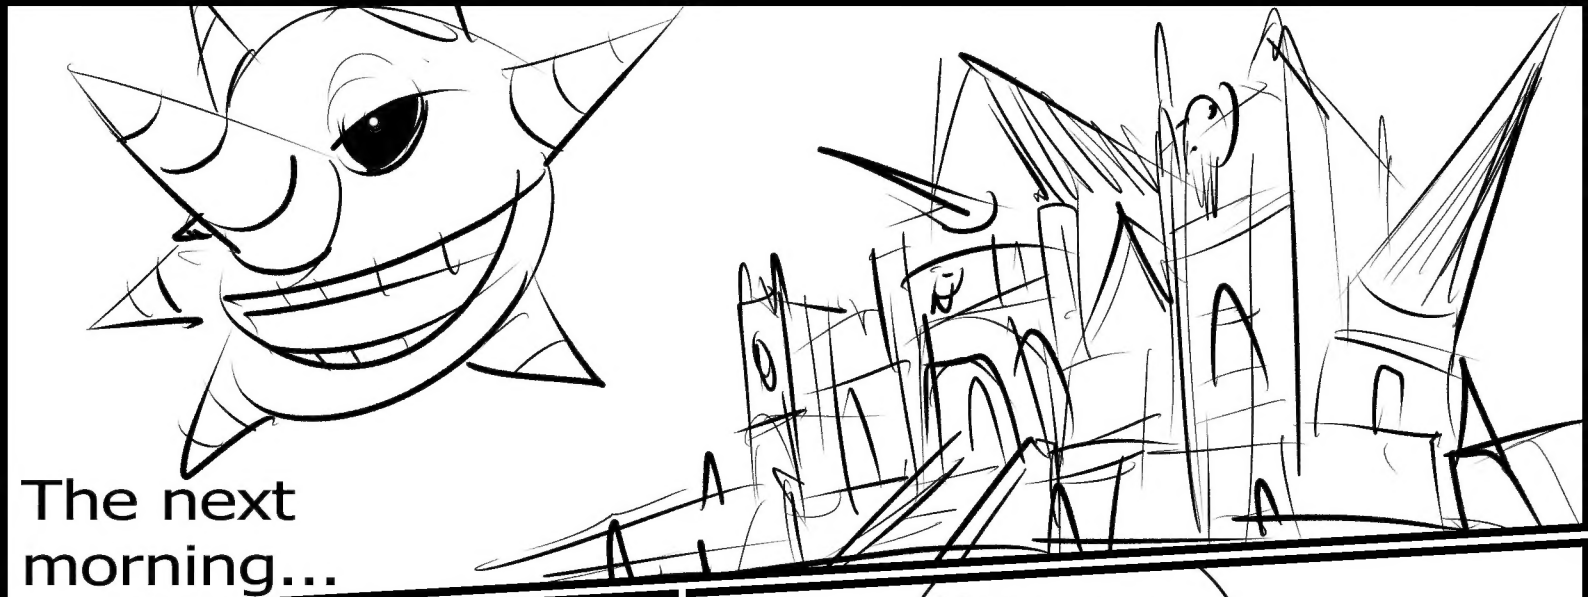

Wow a perfect evening were nothing went wrong, just like in my sweetest dreams

See, just like I said, nothing to worry about

**THE PARTY IS OVER!**

Everyone, except the troublemakers, leave now and go to bed, no excuses if you are late to class tommorow!

Well that could gone worse, even if Jacqueline bailed at the last second

The next morning...

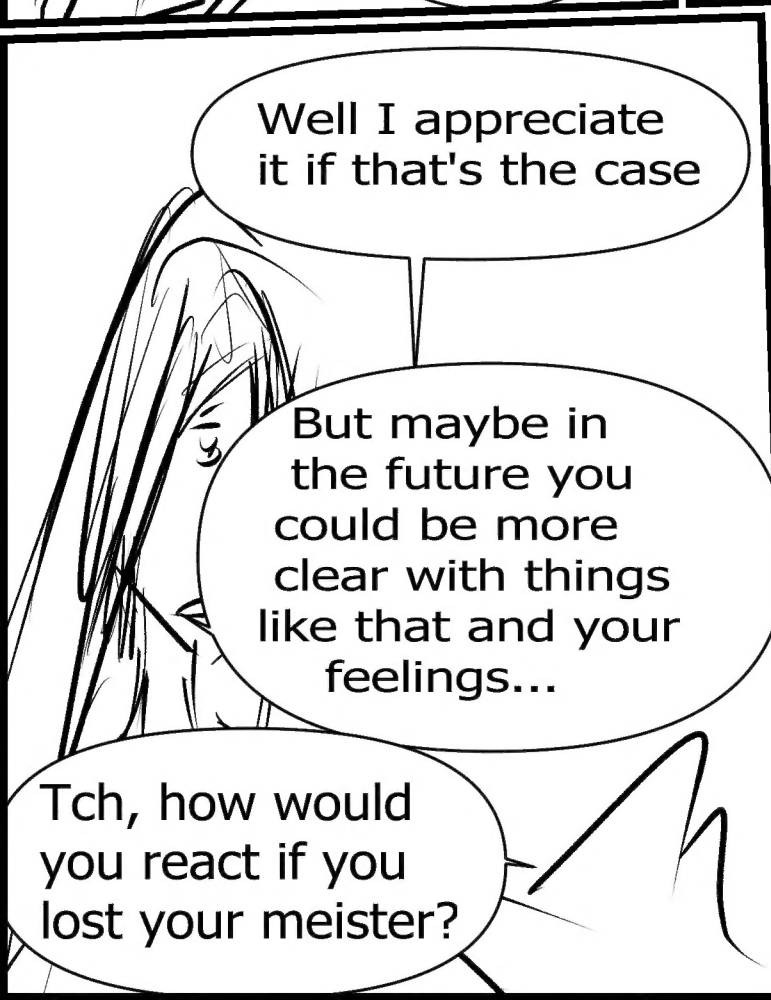

\*sigh\*

Atleast cleaning up the library turned out to be good practice for this...

Haha, see it was out of my great foresight and not laziness, I planned it all!!

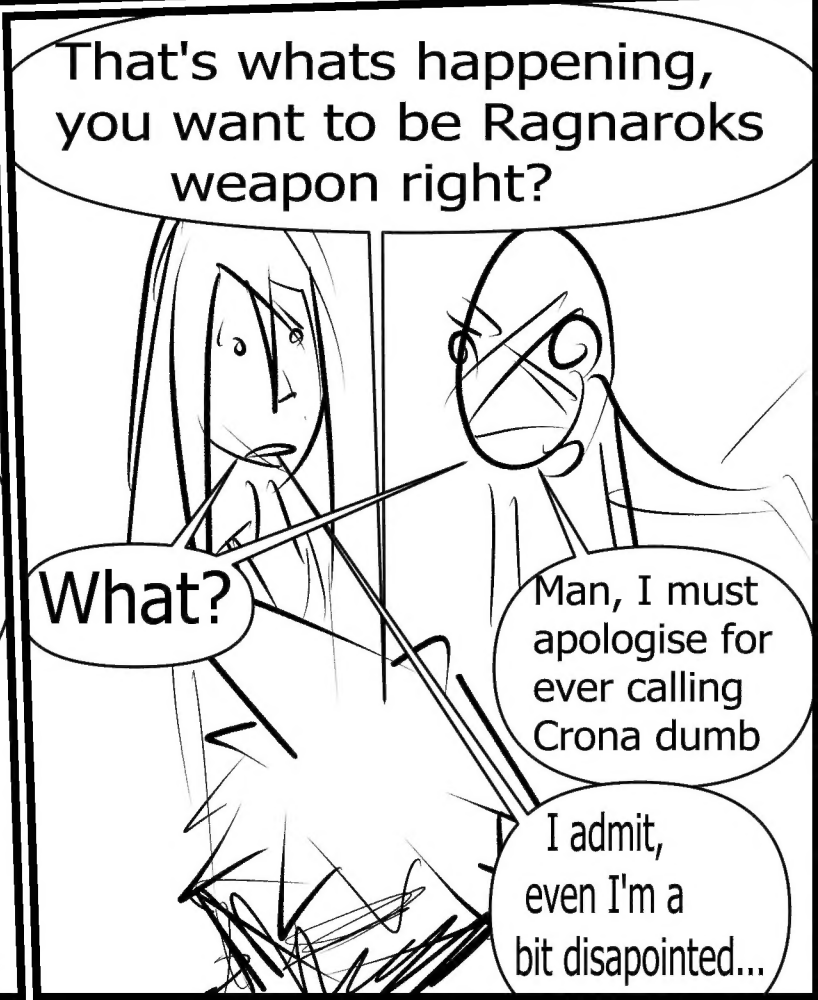

Seriously, even after all the shit we pulled yesterday, you have the nerve to say something like this?

Well I appreciate it if that's the case

But maybe in the future you could be more clear with things like that and your feelings...

Tch, how would you react if you lost your meister?

That's what's happening, you want to be Ragnarok's weapon right?

What?

Man, I must apologise for ever calling Crona dumb

I admit, even I'm a bit disappointed...
